

Mrs. Arline Link, Island Grove, left, and Miss Edna Morton, Keswick, exchange comments with members of the North Gwillimbury council at a stormy court of revision meeting at Belhaven hall last Saturday afternoon. Ratepayers demanded an equalization assessment in North Gwillimbury and told assessor Harold Glover and the council in strong terms that there was too much unfairness in the township assessment. Council members shown are Deputy-Reeve Lloyd Pollock, Clerk Fred Peel and Reeve William King. See story page 3. Era and Express photo.

Smoke By-law Shelved Again By Town Council Doubt If Effective, Say Trains Not Covered

The smoke by-law has been shelved again by the Newmarket council. Some councillors questioned the effectiveness of the by-law and others said that there would be no use in passing it unless something could be done about the railways.

The by-law was first drawn up in September.

The town clerk, Wesley Brooks, said, "It has been reported to me that large sums of money have been spent by some industries to eliminate the smoke nuisance. The Bender Casket Company has spent \$5,000, the Office Specialty Mfg. Co. \$26,000 and both the Davis Leather Co. and Dixon Pencil Co. have spent considerable amounts, I was told. The comment was also made to me

that it would be too bad if no smoke at all were coming out of the factories."

"The by-law restricts the emission of smoke from a stack to six minutes in any hour," said Mayor Jos. Vale. "I don't think that would do much good," he said.

"I don't think the municipal permits anything more than that," says K. M. R. Stiver, acting town solicitor.

"There is no use in penalizing our own town if the railways are the offenders," said Frank Bowser.

"They are only one of the offenders," said Deputy-Reeve J. L. Spillette said. "On a Sunday I have watched smoke stacks from two major factories sending

up funnels of smoke. Particles as black as your boot are dropped from the air and settle like a snow storm. If you go to brush it off anything it leaves an oily streak. Allendale is a rail centre and the same problem does not exist there as we have it."

"The by-law has had a lot of publicity," said the mayor. "Letters have been sent out and there have been plenty of chances to complain about the by-law. This report from Mr. Brooks consists of all the complaints we have had. It is generally felt among the public that there is a need for a smoke by-law, but is this by-law going to be any good?" asked the mayor.

"We don't want to penalize anybody or force them to spend a lot of money on smoke prevention equipment," said Mr. Spillette. "Yet this smoke is costing some taxpayers a lot of money. I think we should pass this by-law anyway and see what we can do about the railways as well. At least it would be a start."

Mayor Vale took an informal vote on the by-law. Only four, Dales, Paynter, VanZant and Spillette voted in favor of it. As discussion was renewed, it was suggested that the by-law be shelved for the time being instead of turned down.

"If we are going to incur a hardship on industries and let the railways go free, it will not look good," said Tom Birrell.

"I think the taxpayers have some right to say whether they are going to live under such conditions or not," Mr. Spillette commented.

Lorne Paynter: "I do believe there is a way that smoke can be eliminated without going into great expenses."

Reeve A. D. Evans: "I still think we can go a little further and there is still a chance to do something more about smoke without passing this by-law."

Dales: "Oh, let's shelve it and see what more we can do regarding the railways."

Mr. Lee referred to the work done by another lawyer when the town solicitor was out of town. Councillor Davies moved "that the planning board in future use only the services of the town solicitor."

"Vacations with pay" was the main item in the first report submitted by the new personnel committee. Holidays recommended for each employee who has been employed by the town for a period of one year prior to July 1 were one-half day per month employed. Those employed for one full year and not more than five full years would receive one week and for a period of five full years' employment, two weeks.

Salaried employees who have worked for less than one year would have one day for each month of employment, maximum one week, for those employed more than one full year, two weeks, to take effect as of July 1, 1951.

Uncompleted By-law Sent To Planning Department, Solicitor Reprimands

"I consider it a personal affront that my draft by-law was submitted to Col. Nash of the Department of Planning and Development without my consent. It was done before council had had an opportunity to consider it," said Lorne Lee, Aurora town solicitor. Mr. Lee was explaining why he had written a letter of protest to council regarding procedure.

"It was my personal property and only given to the planning board in draft form as a courtesy," Mr. Lee explained. "There was still considerable work to be done on the document and it was not in the finished form which would eventually be sent to the department."

Councillor Glass contended there was no harm in the action taken by the planning board. "Isn't it conceivable they should send it to the department to see if it was O.K. before it was brought into council?" asked Chas. Davies. Councillor Pringle was of the opinion that no offence was intended and that it was done in good faith.

Mr. Lee brought to the attention of council the fact that a legal fee had been paid by the planning board. "I would like to know my position. Does my retaining fee cover services to the planning board or should I submit a separate bill to them?"

Recalls Item 50 Years Ago Old Deed Brought In Again

A column in the October 12 issue of the Era and Express reprinting items of 50 years ago stated that Mr. Henry Case, Eagle St., brought in a very old legal document the week of October 12, 1900. It was an original deed for what is known as the Case Farm south of Aurora on Yonge St. The same deed was brought to the Era and Express this week.

"It is the original deed from the crown for his farm of 210 acres, lot 77, first concession of King. It is written on parchment and has a wax seal attached that is four and a half inches in diameter. The document is

nearly 100 years old," the item stated.

Last Saturday William Henry Case of Aurora brought in the same deed, a weathered piece of parchment with a wax seal. "I noticed the item in your paper and thought you might be interested in the fact that I have the deed," said Mr. Case. "It was my grandfather who held the deed then. It was passed on to my father and then to me," he said.

Mr. Case said that he was considering turning the document over to the Sharon Temple museum for the York County Historical Society.

Receives Bag Of Onions For Drama Achievement

Ang West, Newmarket merchant, received a bag of onions as a gift this week. The gift was made for what Mr. West called "achievement in the drama."

During the Lions club minstrel show last spring, Mr. West, a featured black faced actor, offered an onion to a Holland Marsh farmer known to be in the audience. The bag of onions was sent back this week as an acknowledgment.

"The con show is now beginning to bear fruit . . . or vegetables," Mr. West told The Era and Express.

Members of the Newmarket branch of the Canadian Legion are still taking an active part as blood donors. Last Sunday six members of the branch gave blood at Toronto General Hospital for the benefit of a Newmarket man.

The next meeting of the branch will be held at the Legion Hall where members will be able to see the progress made on building alterations. Nominations will be opened for next year's officers.

WHAT DOES MILK COST?

Producers Operate At Substantial Loss Even At Low Wages

What's it cost the farmer to produce milk? The answer was given at the annual meeting of District No. 7 of the Milk Producers Association in Stroud on November 15.

According to James Hope, director of the association and delegate for District No. 7 to the parent body, the producer operates at a loss of \$1.31 per cwt. based on 52 cents an hour wage for the farmer.

Mr. Hope quoted from the brief presented by the producers to the milk price arbitration board in Toronto in October. The board ruled that there would be no further increase to the consumer in the price of milk and fixed a price to the producer at less than the distributors had offered.

Also speaking at the meeting were C. A. Cathers who told about his residence in Europe last year, comparing the state of agriculture in England with that in Canada. J. Harry Walker, retiring president, W. H. Wilnot, secretary-manager, and J. House, check tester, of the Milk Producers, also spoke.

Frank Todd, Gilford, was elected president of district No. 7.

V.L.A. COURSE STARTED

Sixteen veterans attended the opening lecture of the V.L.A. Winter Construction course at the Newmarket high school Tuesday night. Lecturers were E. R. Donaldson, regional supervisor for V.L.A. and Bill Dunston, regional construction supervisor. Wm. Such was chairman of the meeting. The course will continue for the next two months.

Other officers are: vice pres., C. A. Cathers, Newmarket; sec-treas., M. L. Neuroth, Sharon; director and delegate to the parent body, James Hope, Newmarket; directors for York county, Charles Haines, York Kudekha, Neil Faris, Chas. Hunt, Wm. Osler, H. J. Walker, Erwin Winch, Bob Johnson, Earl Walton, Ralph Smith and Ernie Crossland.

Neil Faris won \$15 in expense money for an O.A.C. short course.

Two Championships Won In Turnips, Wheat At Fair

District competitors in the Royal Winter Fair in Toronto did right well for themselves in everything from turnips to riding. Ross Chapman and son Bruce, Queensville, walked away with the turnip championship. In all, they won nine prizes including two firsts, and the Canada Packers Challenge Trophy emblematic of the grand championship. Bruce was awarded a gold watch.

Their turnips were grown on a test plot set up by the O.A.C. Frank Marritt, Keswick, well known for his prize-winning grains, won the championship in a special class for Ontario winter wheat.

In competition with creameries from western Canada and Ontario, Sutton creamery, owned by J. D. Sibbald and managed by Leslie Burrows, placed in the second prize group for June solids and third prize group for October solids and 10-lb. prints.

Innisarra Beacon Bell, owned by T. G. Hawkes Robinson, town line, won first prize as 2-year-old Jersey in milk. She is a daughter of Brampton Beacon Bell, owned by B. H. Bull and Son in Brampton. She was also in the winning group for senior get of sire which included two animals owned by Donhead Farms and one by George Innis, Woodstock.

With Innisarra Sybil Noel, owned by Mrs. Alice Hawkes Robinson, she won second prize produce of dam in class of 16. Faye Russell, daughter of Mr. and Mrs. Ken Russell, Newmarket, won a first, fourth and fifth prize at the Royal Winter Fair last Saturday. She won a first in a driving class with a pony owned by Lloyd Weatherill, Unionville. With a pony owned by Lorne Cousins, Aurora she won a fourth in the saddle class and a fifth in a riding class.

COMING EVENTS

Tuesday, Dec. 5—First meeting of the season with Youth for Christ. Bob Pierce, special speaker, will show film of his recent trip in Korea. Special music. All welcome. c1w47

Rabbi Sidney Goldstein To Speak At College

Rabbi Sidney I. Goldstein of Temple Hased Abraham, Jamestown, New York, will speak at the Pickering College chapel service 7.30 Sunday evening on Jewish-Gentile relations.

Rabbi Goldstein represents the Jewish Chautauqua Society as a lecturer. The National Federation of Temple Brotherhoods sponsors the society which sends Rabbi lecturers to college campuses as part of an education program to disseminate authentic information concerning Judaism.

Headmaster R. E. K. Rourke, Pickering College, has extended an invitation to people of Newmarket to attend the lecture. The headmaster said that the college intends to hold a series of talks this year by representatives of various religious or racial groups.

Santa Claus In Newmarket Saturday, Dec. 2

Santa Claus will parade down Main St. in Newmarket on Saturday morning, Dec. 2, at 10.30 a.m. After his trip through town by way of D'Arcy St., Church St., and along Timothy St. to the market square, he will mount his throne and say a word to the children.

At the same time, Santa's helpers will distribute candy and fruit to the children.

Santa will be outside this year unless the weather is poor, in which case he will be in the town hall.

The parade, as last year, will include comic figures, fairy tale characters, the drum majorettes, floats and bands.

The parade is under the sponsorship of the Newmarket merchants with the editors of the Era and Express looking after the organization of it.

The "Ox-Bow Incident" To Be Presented Nov. 30 By College Drama Club

A public performance of the "Ox-Bow Incident" will be presented by the Pickering College Dramatic club on Thursday evening, Oct. 30. An adaptation of the novel has been written for the stage by two members of the college staff, Charles Bear and Ward Cornell, and the students will produce the play.

The "Ox-Bow Incident" is a modern classic of American fiction published in 1940 and is based on incidents which actually occurred in Nevada in 1885. A film adaptation of the novel starred Henry Fonda in 1942. It was the film which inspired the authors to write a stage version of the play.

Benefit Performance For Hospital Aid Fund

After a successful production at Keswick last week, the Newmarket Dramatic club will return home to present "Dirty Work at the Crossroads" again on December 8. The show will be a benefit performance in aid of the York County Hospital Ladies' Aid.

The Ladies' Aid is constantly in need of funds. This month it supplied the hospital with such items as baby blankets, slip covers for chairs, kitchen equipment, plastic canopy for the nursery and hospital linen.

The Aid contacts the hospital frequently for a list of immediate needs. It has been pointed out that the function of the aid depends on the interest of the individual.

Rehearsals for the play are continuing; some of the scenes have been cut and others developed. The playing time has been shortened and the men's quartet will still be singing in close harmony.

Political Weather Varies Newmarket: Fair, Cool Heat Wave In N. Gwill.

Nominations in five municipalities in North York county will be held tomorrow. The rural municipalities, King, East and North Gwillimbury and Georgina, hold their nominations in the afternoon. Newmarket nominations will be Friday night in the town hall, and Aurora will have its nominations on Monday in the high school auditorium.

The pre-election picture is varied. In Newmarket, there is little pre-election talk and council members are inclined to view this with either suspicion that something is brewing, or as an indication that the electors are well satisfied.

At present, there seems little doubt that all members of council will be returned if they choose to run, and there has been no suggestion that any are dropping out.

North Gwillimbury has the hottest election issue in years, assessments, and it appears that there will be an active contest there. There are a possible four candidates for the reeveship including Miss Lil. Holborne and Councillor Clarke Martin. Mrs. Arline Link, spearheading the ratepayers on the assessment issue, is seeking the deputy-reeve ship.

In East Gwillimbury, there is a strong feeling over school taxes among some ratepayers in the north Newmarket area. The school section there was divided with pupils north of the line continuing to attend Second Street school and those south of the line, who have not attended school before, going to Newmarket. The

Plan More Alterations On Town Hall Building, Move Clerk's Office

Further alterations to the Newmarket town hall were approved by the town council on Monday night. New offices for the town clerk, accommodations for the council chambers and the farmer's market in the basement will be set up in the town hall under the proposal by Councillor Tom Birrell.

A meeting room in the basement under the police department wing will be used as a storage room for documents.

"We will try and use town workmen to deepen the basement 12 to 14 inches. A cement floor will be put in and if they wish, the Vets could use the front section of the basement. The rest of the basement will be for the market. If possible we will build a marquee over the front entrance of the building," Mr. Birrell said.

"I'd like to commend Mr. Birrell on the good work he has done with the town hall alterations," said Deputy-Reeve J. L. Spillette.

"He has spent a lot of time and done a thorough job in making something of that building."

"We are not going to give a price on it yet but I can assure you we won't go overboard on it," Mr. Birrell told council.

Town To Extend To Yonge Annexation Of Section Approved By Council

Annexation of land by Newmarket which would extend the town to Yonge St. has been approved by the town council. Whitechurch township council recently accepted the proposal which would involve turning over a \$48,150 assessment to Newmarket.

A motion by Deputy-Reeve J. L. Spillette and Reeve Arthur D. Evans was passed Monday night. It will bring in a by-law for the annexation of all the land between Newmarket and Yonge St. The area to be annexed is bounded on the north by Davis Dr. and on the south by a production of the southern boundary of the Armitage Heights subdivision to Yonge St.

Several new subdivisions and built-up areas will be within the town limits when the by-law is passed. New houses which have been built recently on each side of Eagle St. will be within the town as well as the Crossland subdivision and the extended area of Park Ave.

The Whitechurch council pointed out that the area would soon face the need for another school.

COMPLETE NEW STREET

An extension of Muriel Ave. providing a north-south access between the camp subdivisions and Gorman St. in Newmarket has been completed. Last week the road and bridge department completed gravel surfacing on street which cuts across the north end of the fair grounds. The street provides a shorter route for school children living on Gorman St. and, attending the Prince Charles school.

The section is developing rapidly and there will be a greater demand for municipal services. Whitechurch considered it more advisable to allow the land to be annexed by Newmarket than to try and maintain municipal services.

Mount Albert News

The hunters have all returned from the north country, some with rather poor luck.

Mrs. W. R. Draper is in bed for a couple of weeks for a much needed rest. Mrs. Doris Stewart is at home looking after her mother.

Mrs. M. Lyons and children were weekend guests at the home of her parents, Mr. and Mrs. W. R. Draper.

The Explorers of the United church under their leader, Miss Eva Morrison, had a successful cookie sale on Saturday and made a little over \$9.

A number from here took in the Winter Fair last week and Santa Claus parade on Saturday.

The last invitation to come to the Cheerio bazaar in the United church school room on Saturday, Nov. 25, at 3 o'clock. There will be for sale fancy goods, aprons, home made baking and a fish pond for the kiddies, also a snack bar for refreshments, a real chance to buy your Christmas boxes.

The youth rally at the Gospel church will be continued on Thursday evening at 7.30 when Mr. Clark will be in charge and you will see two films, a Bible story and an educational one. Old and young invited.

Doug Simpson and Grant Corner are two of our boys who signed up with the forces and expect to go to Korea.

Do not miss hearing the Wilkins brothers moving pictures and travelogue on life behind the iron curtain in Berlin, Austria and Yugoslavia. Also films of a journey down through Greece, Turkey and into the Holy Land, in the United church on Tuesday, Dec. 5. Keep this date and be on hand. This is sponsored by the W.A.

Mr. and Mrs. John Arnold who recently came from Saskatchewan to make their home in Ontario have taken rooms for the winter with Mrs. E. Watts.

Mr. and Mrs. Hugh Price attended the Ice Capades in Toronto at Maple Leaf Gardens on Friday night.

The W.A. of the United church held its November meeting at the home of Mrs. J. Strach on Wednesday evening. There was a good attendance. It was decided not to send boxes overseas this year because of lack of funds. The program was in the charge of Mrs. D. Dike. There were readings by Miss Hayes and Mrs. J. Case. Recorded music and the Christmas story, "The Littlest Angel", brought to a close an interesting program. Everyone enjoyed the social half-hour.

The members of the chamber of commerce are reminded to attend their meeting on Friday evening of this week.

The board of the community hall will hold its regular dance on Friday night of this week with Del Kidd's orchestra.

Santa Claus will visit Mount Albert some time in December. Watch for the date.

The Cheerio club met on Saturday evening, Nov. 18, at the home of Mrs. H. Harman with 35 ladies present. Mrs. D. Dike and Miss G. Brooks were in charge of the program. An instrumental number by Helen Harman, a solo by Mrs. D. Stiver and a splendid talk by Mrs. Olson was enjoyed by all present. The club is giving \$10 to the chamber of commerce to help with the Santa Claus parade.

Mr. and Mrs. J. Cain and sons of Keswick were Saturday guests of Mrs. John Cain.

Mr. and Mrs. B. Palmateer, Pickering, were Sunday guests of Mrs. Palmateer and Mrs. John Cain.

Mr. and Mrs. Roy Carr visited Mr. and Mrs. Stephen Carr at Cambray on Sunday.

Mr. and Mrs. Jas. Slorach were Sunday guests of Mr. and Mrs. Dillman in Brampton.

Donald Chapman, six, son of Mr. and Mrs. Ross Chapman who farm near Queensville, is pictured at the Royal Winter Fair with his arms around 163 pounds of squash. Donald's father and brother, Bruce, won the championship in turnips at the fair, as well as nine other prizes.

ZEPHYR

Mr. and Mrs. Geo. Parker and Peggy Weston, visited Mr. and Mrs. Jas. Galbraith on Sunday.

Don't forget to come to the bazaar to be held in the Sunday-school room of the United church under the auspices of the W.M.S. on Saturday afternoon, Dec. 2. There will be a sale of home-made baking, candies, vegetables, sewing, etc., also a pot luck supper will be served.

Quite a number of the children and their parents attended the Santa Claus parade on Saturday. Mr. and Mrs. Clarence Marchant visited friends at Orangeville on Sunday.

Misses Teresa and Lillian Edgar spent the weekend with their mother, Mrs. Wm. Edgar.

Mr. and Mrs. Edwin Smyth, Teeswater, spent the weekend with Mr. and Mrs. Willard Aitchison and attended the Winter Fair on Saturday.

Mr. and Mrs. Fred Hunter, Barrie, and Mr. and Mrs. J. Wauchupe spent Saturday at the Winter Fair.

Over 500 people partook of a sumptuous turkey dinner on Wednesday evening in the town hall served by the Anglican W.A. to the Milk Producers Association. It was the annual banquet and concert. A pleasant evening was had by all present.

(Last week's news)

Mr. and Mrs. Ed Wood, Kettleby, visited Mr. and Mrs. Victor Marchant on Sunday.

Mrs. Ken Bradley, Port Colborne, spent the weekend with

held on Thursday of last week in the basement which has been newly decorated. Mrs. George Pearson, the president, was in the chair. After a lengthy business session a hot dinner was served with Mrs. Willard Cole, Mrs. Sydney Thompson, Mrs. Harry Tombs, Mrs. A. Porter, and Mrs. Gordon Cole acting as hostesses.

Congratulations to Mr. and Mrs. Wm. Goode on the birth of a daughter.

A very enjoyable evening was held in Vandorf Community hall on Saturday evening when friends and neighbors gathered for a farewell party in honor of Mr. and Mrs. Jack Preston, David and Marjory who are moving to Queensville. Those who contributed to the program were the Johnston trio, Mr. William Kingston, Mr. Billie Yake, Mrs. Fletcher, Miss Hatchette, and the Preston sisters. Mr. Earl Toole and Mr. Sid Legge each gave a few well chosen words. After the presentation address by Mr. Harold Moddle, Mr. and Mrs. Preston were presented with a beautiful table lamp, end table, wall

The regular meeting of the Women's Association of the Queensville United church was

Schomberg News

Mrs. Fred Westlake, Toronto, spent the weekend with Mrs. Nelson Wauchupe.

Mr. and Mrs. Frank Burnett, Maple, and Mr. and Mrs. J. Brett, Alliston, were guests of Miss Cora and Mr. Elwood Aitchison on Sunday.

Mr. and Mrs. J. B. Aylward attended the baptismal service of their little granddaughter, Susan Jane Aylward at Alhambra United church, Bloor St. W., Toronto, on Sunday morning.

Mrs. Hall's group of the W.A. of the United church are planning a Rummage Sale for Saturday, Dec. 9. Any donations will be gratefully received. Watch Coming Events for definite plans later.

Your friends will be looking for you at the social evening of the Home and School Association on Friday night, Dec. 1.

The next bingo will be held in the school house on Friday night, Dec. 8.

Mr. and Mrs. Geo. Phimister and Jimmy of Newmarket, and Mr. and Mrs. Reg Button and Eric of Stouffville were Sunday guests of Mr. and Mrs. George Pearson in honor of Jimmy Phimister's second birthday.

Recent guests of Mr. and Mrs. Frank Kavanagh were Mr. and Mrs. P. S. Stevenson of Montreal and her mother, Mrs. Lila Deavitt and Mrs. Norm Smith, of Toronto, and Mrs. Ruth Donnell and Bud of Keswick.

Miss Jean Cunningham of Bowmanville spent the weekend with her parents, Mr. and Mrs. Floyd Cunningham.

Sunday guests of Mrs. J. T. Cowieson were Mr. and Mrs. Allan Cowieson and Mr. and Mrs. Roy Cowieson of Toronto.

Mr. and Mrs. F. Cunningham and Jean had Sunday dinner with Mrs. Carrie Glover, Sharon.

The regular meeting of the Women's Association of the Queensville United church was

held on Thursday of last week in the basement which has been newly decorated. Mrs. George Pearson, the president, was in the chair. After a lengthy business session a hot dinner was served with Mrs. Willard Cole, Mrs. Sydney Thompson, Mrs. Harry Tombs, Mrs. A. Porter, and Mrs. Gordon Cole acting as hostesses.

Congratulations to Mr. and Mrs. Wm. Goode on the birth of a daughter.

A very enjoyable evening was held in Vandorf Community hall on Saturday evening when friends and neighbors gathered for a farewell party in honor of Mr. and Mrs. Jack Preston, David and Marjory who are moving to Queensville. Those who contributed to the program were the Johnston trio, Mr. William Kingston, Mr. Billie Yake, Mrs. Fletcher, Miss Hatchette, and the Preston sisters. Mr. Earl Toole and Mr. Sid Legge each gave a few well chosen words. After the presentation address by Mr. Harold Moddle, Mr. and Mrs. Preston were presented with a beautiful table lamp, end table, wall

UNION ST.

The first euchre party of the season was held by the W.I. on Thursday evening in Maple Hill school with a fair attendance. Ladies' first prize was won by Mrs. R. Cowieson; second, Mr. D. English; consolation, Mrs. I. Johnston; gentlemen's first, Mr. L. Lee; second, Mr. F. Perry; consolation, Mr. E. Calendar. The lucky draw for a basket of groceries was won by Mr. Hodson.

Mr. John Gordon, who has spent the summer with Mr. and Mrs. Roy Cowieson, has gone to St. Catharines for the winter. Mrs. Micks visited Mrs. Resant in the village on Sunday.

KESWICK

The United church W.A. supper and entertainment will be held on Monday evening, Dec. 11, instead of Dec. 4, as announced last week.

Mr. and Mrs. Byron King, Thorncrest village, were Sunday guests of Mr. and Mrs. O. M. King.

Mr. and Mrs. C. W. Newell and Mr. Charles Newell of Paris, Ont., parents and brother of Mrs. Cowieson, were weekend guests at the home of Mr. and Mrs. Angus Cowieson.

Miss Mary Morton, Moulton College, Toronto, spent last weekend at her home.

Congratulations to Mr. Frank Marritt who won the championship in a special class for Ontario winter wheat sponsored by the Maple Leaf Milling Co. at the Royal Winter Fair.

Mr. Gordon Winch and Mr. Nathan Mair, both of Emmanuel College, Toronto, were Sunday guests of Mr. and Mrs. Perry Winch, Sr.

For their November meeting the W.C.T.U. had a most enjoyable jaunt into the country and were entertained at the home of Mrs. Clarence Crittenden. The meeting was well attended and the program very interesting. In the Devotional, Mrs. Marritt stressed the point that "as a man soweth so shall he also reap" and we all know how applicable that is to the drinker. Mrs. Ward brought a grand report from the Provincial Convention and the ladies were grateful for her painstaking efforts.

Mrs. (Rev.) Campbell gave a talk on the effect of alcohol on the blood corpuscles illustrating by means of posters. A clip-sheet on the drug habit was discussed. A social hour with lunch followed. The next meeting Jan. 9 will be at Mrs. Freeman Pollock's.

Mr. and Mrs. Ken Wray and two children of Schomberg were Sunday guests of Mrs. Amy Kettell.

Mr. and Mrs. R. Hobson are visiting their daughter, Mrs. (Rev.) Hyde and family, in Cadillac, Mich.

Miss Fanny Marritt is visiting her niece, Miss. M. Lloyd in Toronto.

Kitchener. Special music will be rendered by Rev. and Mrs. Shantz.

The Young People of Mount Pleasant and Mount Zion churches met on Friday evening, Nov. 17, in the Mount Zion church to re-organize for the coming year. The recently appointed minister, Rev. R. Priddle, was elected president with Mel Hockley as vice president. Other officers are, sec., Mrs. Jack Cooper; treas., Miss Edna Keller; pianist, Mrs. Jas. Morris; assistant, Mrs. Mel Hockley.

The W.M.S. of Mount Zion United Missionary church met at the home of Mrs. Herman Jones, Tuesday, Nov. 14, to resume activities for the coming year. Mrs. Jack Cooper is the new president. The next, a sewing meeting, will be held at the home of Mrs. Ed King on November 28. The executive plans to make quilts to order as one means of raising money. We hope to have many new members at these twice monthly meetings.

Mr. and Mrs. Herby Cole and Mr. and Mrs. Vern Kellington attended the special services at Belhaven Sunday morning.

Mr. Jas. Morris has been installing a new furnace.

Congratulations to Mr. and Mrs. Ed King on the purchase of their new car.

MOUNT ZION

The Mount Zion United Missionary church will hold special anniversary services Sunday, Nov. 26. The guest speaker for the 11 a.m. and 7.30 p.m. services will be Rev. W. Shantz, principal of Emmanuel Bible College,

Vandorf News

Congratulations to Mr. Bob Petch who won the scholarship award in the York County Junior Farmer farm equipment and Safe Driving competition. He will represent the county at the provincial finals to be held in Toronto in January.

A very enjoyable evening was held in Vandorf Community hall on Saturday evening when friends and neighbors gathered for a farewell party in honor of Mr. and Mrs. Jack Preston, David and Marjory who are moving to Queensville. Those who contributed to the program were the Johnston trio, Mr. William Kingston, Mr. Billie Yake, Mrs. Fletcher, Miss Hatchette, and the Preston sisters. Mr. Earl Toole and Mr. Sid Legge each gave a few well chosen words. After the presentation address by Mr. Harold Moddle, Mr. and Mrs. Preston were presented with a beautiful table lamp, end table, wall

mirror and a green satin cushion. David was presented with a pen and pencil set and Marjory with a bedroom lamp. A lovely lunch was served by the ladies.

Mr. and Mrs. Sydney Ayllett and family spent last weekend visiting Mr. and Mrs. Mudge of Aylmer.

Sunday guests of Mr. and Mrs. S. Ayllett were Mr. and Mrs. Edward Ayllett, Mr. and Mrs. Leonard Ayllett, Marilyn and Bruce, Mr. Albert Joel, all of Toronto and Mr. and Mrs. Harold Rose of Willowdale.

Congratulations and best wishes are extended to Mr. and Mrs. Herbert Grimshaw on the occasion of their marriage on Saturday. They are leaving for their home in California on Thursday.

Mr. and Mrs. Charlie Scott, Donna and Linda had Sunday tea with Mrs. Scott's parents, Mr. and Mrs. W. Kingston.

Mrs. Clayton Pogue and Carolyn are spending a few days with her parents, Mr. and Mrs. J. Cookson, of Stratford.

Mr. and Mrs. Jack Irwin and family visited on Sunday the latter's brother, Mr. Howard Thaxter, and Mrs. Thaxter of Ashworth.

Mr. George VanNostrand and Miss Jean Walker had Sunday tea with Mr. and Mrs. Harvey Curry of Bradford.

Miss Kay Richards, of Toronto, visited on Sunday Mr. and Mrs. H. A. Switzer.

Mr. and Mrs. Kenneth Babcock, John and Mary spent Sunday evening with Mrs. Babcock's parents, Mr. and Mrs. H. A. Switzer.

John Babcock, who is attending Guelph O.A.C., spent the weekend with his parents.

Pleasantville News

Sunday, Nov. 28, will be the last Sunday we will have Harold Moddle as our minister at the Union church. He has accepted a call to the Zephyr circuit.

Bogartown has been put on the map again by the placing of a lovely sign there recently, by the Bogartown Women's Institute.

Francis and Dorothy Starr and son Christopher left on Monday, Nov. 13, for a tour of the U.S. to Mexico on a project for the American Friends Fellowship.

The Bogartown W.I. bazaar, which was held in the bugle hall, Newmarket, on Friday, Nov. 17, was a decided success.

On Saturday night, Nov. 18, at the Vandorf hall, the combined communities of Bogartown and Vandorf gathered for a farewell party for Mr. and Mrs. Delmer Preston, David and Marjorie. Rev. Moddle acted as chairman

and after a program of speeches, music and songs, the Preston family was invited to sit in front of the platform, while Harold Moddle read the address and Master Chas. Greenwood presented little Miss Marjorie Preston with a lovely boudoir lamp. Stuart Toole presented David Preston with a pen and pencil set. Mrs. Carl Greenwood and Mrs. Swanson gave Mr. and Mrs. Preston a magazine table, large wall mirror and a lovely rayon satin cushion. Mr. and Mrs. Preston and David each thanked all present for lovely gifts. They are leaving for a farm near Queensville in the near future.

Glad to report Master Roger McClure is much improved in health at time of writing.

Little Jeanne and Michael Sheridan are proud of their two sister who arrived at York County hospital early Monday morning.

Aurora V.O.N.
Works With
Health Unit

The York County Health Unit has obtained the part-time services of the Victorian Order Nurse, Miss Helen Lamb, in the town of Aurora. Arrangements have been completed between the board of the York County Health Unit and the board of the Aurora branch of the Victorian Order of Nurses for the Health Unit to employ her on approximately a half-time basis in the generalized program of public health in Aurora.

In the past, before the beginning of the York County Health Unit, the Aurora board of health had employed the Victorian Order Nurse in a school health program. This same school program will be part of the general program of the health unit, and therefore, at the present time, the Victorian Order Nurse will be carrying on a much bigger portion of public health work while employed by the York County Health Unit than she had in the past when employed in school work by Aurora board.

This new generalized public health program includes, in addition to school health, infant and preschool, prenatal and postnatal health visiting, communicable disease visiting, tuberculosis visiting among other public health duties.

The Victorian Order nurse will be carrying out at the same time, the normal program of activities of the Victorian Order in Aurora, which normally is concerned with bedside nursing and health education in the home.

Because of the shortage of available public health nurses in the York County Health Unit, it is fortunate that the services of the Victorian Order nurse have been thus made available to the health unit.

Auto production has increased 1,388 percent since the first motor show was held in New York 50 years ago.

Skinny men, women
gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor
What a thrill! Body built 21 out; only 10 lbs. left! Body loses its "skinny" look. Thousands praise Oust, weight-reducing tonic. Enriches blood, aids appetite, digestion, to food gives you more pep, enthusiasm, puts flesh on bone bones. Don't fear getting too fat. Stop when you reach weight you desire. Introductory size only 50¢. Try Oust Tonic Tablets for new pep, vim and vitality, today. At all drug stores.

SANTA CLAUS PARADES

says

From now until Christmas Day—or rather, Christmas Sunday, for Christmas comes on Monday this year, we'll be hearing "so many shopping days until Christmas". "Shop early for the best selection of Christmas gifts"—and so on. The shops are already full of Christmas things—and all that lacks is unlimited funds to get something for everybody.

What a warm glow around our hearts the mere mention of that magic word, Christmas, and Rudolph, the red-nosed reindeer, is again to the fore.

I remember the Santa Claus parade with the drum-majorettes, the fairies, the cow boys and girls, the nursery rhymes come to life, the butterflies (oh, they were beautiful!), the clowns, the giants, oh yes, and the Indians, warpaint and tomahawks and all. We had a good view of them for the parade slowed to a stop opposite where we were and the boys staged a sham-fight, with Indian war cries and whoops and pretending to scalp each other and all! It really was fun!

We may as well admit that we grown-ups enjoy it all fully as much as the small folks! It seems to have become an annual event, a tradition—when all the able-bodied citizens turn out in huge numbers to "see Santa Claus come to town". Not only the local folks, but folks from miles around.

But before Christmas and Santa Claus parades, we will be having elections. I haven't heard anything so far about town elections but there's plenty of time yet. Nominations will be November 24 and election day December 4 if I remember correctly. I am really no authority on dates—here I was a while ago trying to be sure Christmas Day was December 25 instead of December 24. It is no wonder we find ourselves bewildered and forgetful for we do certainly go at an awful pace!

Look at the last couple of weeks—Armistice Day on Saturday, Remembrance Day celebrated on Sunday ending up with that splendid band concert in the new theatre, after evening church service was over. And what a wonderful concert it was! The band was never better and the theatre proved an ideal place for reception. The band gave us a fine, varied program, even treating us to the selection that won them top honors at Waterloo.

The mayor was chairman and the reeve had to accept for the town the new band instruments Mr. J. O. Little purchased for the use of the band from donations received from citizens of Newmarket when they learned of the need. It created quite a pleasant and amusing diversion. Then when the color party marched up both aisles to the platform and stood behind the band as it played the military tattoo, we all felt we had celebrated Remembrance Day to the full—and you almost heard a sigh of relaxing of tension as once again the colors were held high and the band struck the opening cord and the vast audience rose to sing God Save the King.

I started with Santa Claus, so I'll end up with him—just another word or two recalling last year's splendid parade here when Santa Claus came to our town. We all turned out and lined the streets—I remember it was pretty chilly but it was dry pavements which meant a whole lot to those in the parade. I still remember the huge chap dressed as a woman—or maybe he appeared large in woman's clothing—he really was good and delighted the little folks. Brer Rabbit and the other animals and the clowns cutting capers—oh, the children do love the clowns. And Santa Claus certainly was the popular man of the day.

Then the parade the year before—do you remember the splendid floats—the drum-majorettes led by the maestro and mistress of ceremonies on horseback? Newmarket certainly is second to none when it comes to anything like that, for we have such willing workers and plenty of folks with splendid ideas and ability to carry them to success. I hear Santa Claus is to visit Newmarket very soon! So, housewives, arrange your work so we, too, can be in the fun and hie us down town to Main St. and watch the small folks' enjoyment of good old St. Nick.

NORTH GWILLIMBURY ISSUE

Swamp Revision Court
As Taxpayers Charge
Assessment Unfair

Ratepayers including farmers and Lake Simcoe cottage owners opened fire on the North Gwillimbury township council over assessments at a court of revision held at Belhaven Hall Saturday afternoon. At least 70 property owners appeared at the meeting with their own appeals and many represented other owners who could not appear in person.

Every appeal carried the same complaint that the township lacked an equalized assessment. Both permanent residents and cottage owners charged that their assessments were too high compared with some others. Irrate property owners demanded to be heard and at the end of two hours all semblance of order was lost and the court was adjourned.

Deputy-Reeve Lloyd Pollock put forth a motion that the council take immediate steps to appoint an outside three-man board and an independent assessor to review the assessment roll and report back to council. The court of revision was made up of Reeve William King and members of the council with assessor Harold Glover.

Assessor Glover, accused by several appellants of not knowing his job, said that he had only done what the council had told him to do. "My orders were to increase the assessment 20 percent, not to re-assess the whole township. For the 1951 roll I did re-assess some properties where I saw that their former assessment was wrong. I did the best I could do," he said.

No Plan Number
He said that there are over 8,000 assessments in the township and that new ones are added every year. "Half the permits haven't even a plan number or lot number when a new building goes up," he said.

Mrs. Arlene Link, one of the chief spokesmen among the property owners, represented four ratepayers at the meeting. She stated a case where L. Watson, a Sutton West farmer, bought his farm for \$5,000 and his 1951 assessment was for \$5,150. In 1949 he had appealed a \$6,000 assessment on the same farm. "But I know of another farm which sold at \$18,000 and was assessed for \$3,800," she said. Mrs. Link, an Island Grove real estate broker, said that she is running for the deputy-reeve ship this year. Another woman, Miss Lillian Holborn of Sutton West, has stated that she will run for the reeveship.

"There are a certain few who are getting the whip over their backs," said Mrs. Link. Speaking for Earl Badden, a cottage owner, she said that the cottage which had "no frills" was assessed for more than a neighboring cottage which had a two car garage, new bathroom and a complete remodelling of the exterior. She intimated that people with plenty of money were enjoying "lower assessments than the poor man".

"Why did you lower one Craigmar Beach assessment by \$1,000 this year?" Mrs. Link asked Assessor Glover. "Who is he," she asked.
"It's none of your business," retorted Mr. Glover. He later gave the name of the assessment. Assessment Steadily Climbing.
A farmer, Ralph Atcheson, said that his assessment had been steadily going up the past few years while he had made no improvements to his farm except to gravel his lane. "There is certainly no encouragement to improve a person's farm if he is going to be taxed more heavily anyway," he said.

"It's the inequality of the whole assessment that we are complaining about," said H. Eastwood, an Elmhurst Beach cottage owner. "The trouble is we are paying through an assessor who doesn't know his business. Since 1948 my assessment has jumped from \$800 to \$1,680." Mr. Eastwood, who said that he worked at the Toronto City Hall, declared that he would go to the Ontario Municipal Board if necessary.

A representative of Doris Blair, a cottage owner, was W. Taylor of Toronto who also appealed his own assessment. "The Blair property was assessed for \$1,000 in 1949, \$1,100 in 1950 and \$1,200 for 1951," he said. "It is only a cottage, yet a permanent residence, the home of the township clerk Fred Peel on the Keswick main street, is an all year residence with attached garage and it is assessed at \$1,100," he said. "Another permanent residence is that of Orval King which has an attached garage and basement. It is assessed at \$1,200."

It was pointed out that the King residence had had a raise in assessment from \$700 to \$1,200 this year.
Mr. Taylor appealed an assessment for Mrs. Kay Baker. "She has a small lot, poor little bit of a house which is really a cabin with no lights and no indoor conveniences. It's assessed for \$700. A neighbor has three and a half acres and a residence with a furnace, hardwood floor, 3-piece bath and two car garage. This property is assessed for only \$100 more than Mrs. Baker's," he said.
Wanted 20 Percent Raise
Councillor Clark Martin said that council had instructed a 20 percent increase on all properties because the county had made

Mr. Peabody and the end of the rainbow

You could have knocked Mr. Peabody over with a feather. For there, right through the window of his own room, came a rainbow. And at the end of it was a huge pot of gold!

As he approached it to see if it was real, he heard the sound of bells. "The whole countryside has heard of this!" thought Mr. Peabody. "That's why the bells are ringing." And the sound of the bells grew louder... louder... LOUDER...

Mr. Peabody awoke with a start. The alarm clock beside his bed was ringing... ringing... RINGING. Shutting it off, he sighed sadly, got up and dressed.

Listening to the radio as he ate his breakfast, Mr. Peabody heard somebody say that old-age benefits should provide everybody with enough to retire on.

"Humph!" snorted Mr. Peabody to himself. "More rain-bows! I like the idea of additional help for older people. But to build the kind of comfortable old-age income I want, I fully expect to need all my life insurance—and maybe more. It gives my family protection now. And it covers my own special needs in a way no mass programme could possibly do."

Arriving at his store, Mr. Peabody, like millions of other Canadians, began another day of working, earning and saving for his future security with life insurance.

"Even without pots of gold, it's a pretty good world," he said to himself. And as he worked, he began to whistle softly.

No. 7 Personnel Depot, Wolsey Barracks, Elizabeth Street, LONDON, Ont.

AR410-D

To bring this anti-aircraft gun into action calls for a full crew—skilled men trained to fight as a fast-thinking, fast-acting team. To train such a crew takes time: gun crews must know how to handle modern scientific equipment—electronics, radar, radio, telephone; men must work together with the closely timed co-ordination of a championship football team.

The Canadian Army Active Force needs men today... keen young men who can begin training immediately as anti-aircraft gunners. You can take your place at the side of the men who defend Canada by reporting for training without delay. Act now—and help make Canada strong.

W. J. BROOKES

We've had the traditional "word from Santa" that the old fellow will appear in Newmarket on the morning of Saturday, Dec. 2, and would we oblige him by providing a suitable escort into town? Be glad to. There are quite a few adults in the neighborhood who look forward to the day with more anticipation than the kids.

We'd put Sheldon Walker in that category. Sheldon has a prize-winning team and likes nothing better than to drive them down Main St. with Santa in the wagon box. After last year's parade, he told us to call on him again. We did the other afternoon but Mrs. Walker said he was down at the Royal and wouldn't be home for a day or two. She said he'd be in, though, for a briefing so we expect all is well on that score.

Transportation has always been a problem in such a parade. We called Constable and Magee, remembering that George Constable had a rare old time with a tractor and hay rack full of kids dressed in Indian clothes last year. "George is out at the moment," said Norm Magee. "What can I do for you?" We explained about the transportation. "Well," says Norm, "we have half a dozen tractors and can try and get racks and drivers to go with them. You're welcome to them."

With co-operation like that, we are going to have a bang-up parade.

For all of Santa Claus parades, it has been damn funny weather for fall. Had a report last week of a Kettleby lady picking tomatoes in her garden, ripe ones too. Maybe there is something in the talk you hear every so often of the receding ice cap, or alternatively, the effect of atom bomb explosions. The first school of thought has at least the benefit of a certain

From the Files of 25 and 50 Years Ago

NOVEMBER 20, 1925

The dedicatory services in connection with the opening of the new United church at Keswick were well attended. Services were conducted by Rev. J. R. Patterson, Orillia, and Rev. R. H. J. Pritchard, B.A., North Broadway United church, Toronto. The choir of 22 voices was under the leadership of Mrs. Whipple. Mrs. Rogers, Toronto, was soloist.

Mr. Andrew Cullen, who has been in this county 15 years, 11 of which he has spent in business in Newmarket, leaves this week for his old home in Ireland.

The stock judging cup presented by the Hon. Manning Doherty was won by the York County team of Donald Petch, Newmarket, Clarence Graham, Richmond Hill, and Fraser Gee, Victoria Square, on Thanksgiving Day. Mr. Doherty presented the trophy and the team also received beautiful medals and watch fobs from the fair.

The euchre party in aid of York County hospital was a great success and proceeds were \$45. Prizewinners were Mrs. Jelley, Miss Lyons, Mr. Bond and Dr. Ames. The committee in charge of the evening was Mrs. McLennan, Mrs. Howard Cane, Mrs. V. Brewster and Mrs. W. H. Eves.

On Monday a hot fowl supper and concert was held in conjunction with the dedicatory services of Keswick United church. Over 300 attended. Those taking part in the program were: speeches, Rev. Patterson, Toronto, Rev. Ballantyne, Sutton, and Rev. Fockler; eleventh selections, Miss Crookshanks, Toronto; solos, Mrs. Rogers, Toronto, Miss Trivett and Miss Marjorie Lloyd, Newmarket, Mrs. Ballantyne, Toronto, and Dr. Terry; violin selections, Mr. Cooper, Toronto. Proceeds were \$500.

Last Wednesday morning the barn on the farm occupied by Mr. Geo. Close on the second con. of Whitechase was burned down. Mr. Close was able to get his implements and livestock out.

amount of scientific evidence. We read too that the glaciers are receding—nothing serious, a couple of feet a year for most of them. You never can tell, they might be growing bananas and grapefruit on Holland marsh in another century or two. Something to look forward to. Perhaps we will even have an avenue of palms down Main St. in Newmarket.

Those glaciers offer some fascinating stories. We read of some guides keeping a delayed rendezvous with a British nobleman, or rather, his body. He had been lost in a glacier in the last century and it was calculated that the ice holding his body should be visible about now. He didn't turn up, though.

The chimney fire at Bruce Bain's home on College St. last Thursday night was quite a social event. There must have been at least 50 or 60 cars up there within minutes after the fire whistle blew. The damage wasn't extensive, although it could easily have been in the high wind. While it lasted it was spectacular. The wind caught the sparks and blew them the length of College St. The Bain chimney looked like a giant roman candle.

A fire call in Newmarket, and we would imagine this applies to every other community where there is a volunteer fire brigade, is responded to by half of the town. There are the usual number of fire engine chasers, who love to go to a fire like other men pursue blondes or a small white ball on the nearest links. But for the rest, it is, we would say, the social aspect of a fire which attracts so many. Saw a couple of fellows at the Bain fire we haven't seen for the last six months. Must get out more often.

NOVEMBER 23, 1906

There was a splendid market last Saturday best one this season. Eggs and butter in abundance, also poultry of every description. Prices were inclined to be high. Buyers offered 20 cents for butter and eggs. Dressed ducks sold from 60 to 65 cents a pair, turkeys from eight to ten cents a lb., dressed chickens 45 to 50 cents a pair, live ducks 40 to 50 cents a pair. Large quantity of potatoes offered at 30 cents a bag. Apples were from \$1 to \$1.25 per barrel and 20 cents a basket. Dry four-foot maple \$5 a cord; dry maple 18" lengths \$4.50.

Boys were skating on the pond last Friday.

Mr. T. Hunter has secured the large barn on the corporation flats and intends putting in ice for the use of the general public next summer.

The annual meeting of the Newmarket hockey club was held at the Jackson House on Monday night when officers elected were: hon. pres., F. C. Hoag; pres., Lieut. W. C. Howard; vice pres., Howard S. Cane; K. H. Robertson; manager, Capt. J. A. W. Allan; captain, Geo. R. Simpson; secretary, Dr. C. H. Clark.

The supply of milk at Newmarket dairy continues to be good. There were 4,500 lbs. on Monday and 3,500 lbs. on Wednesday. It is still being manufactured into cheese because of delays in getting connections made for the butter plant.

There was a high wind on Wednesday afternoon.

On Wednesday the young people of Sutton opened the society season by a grand ball and supper in St. James' hall which proved a great success. The ballroom and sitting room were decorated with flags and bunting and the refreshment room was decorated in Japanese effect.

A new 300-light dynamo has arrived at the Specialty works. The switchboard has 13 connections and an annunciator attached and will be running tonight. The new plant has three times the capacity of the old plant.

COMMON SENSE ANTI-COMMUNISM

We think that Canadians generally are showing a good deal of common sense in their fight against domestic communism. This belief is supported by the recent brief presented by the Canadian Legion to the federal cabinet. The brief reiterates the Legion's approach to the problem as follows:

"Exposure of the aims, techniques, customs, etc., of communists with a factual review of their record; education for citizenship; progressive elimination of abuses in our present system which give weight to communist propaganda; refusal to employ communists in any capacity where they would be in a position to harm our country; most careful attention by defense authorities to the danger of fifth column and subversive activities."

There are any number of hotheads, of course, whose only answer to communism is to outlaw the party and put its members in jail. Such a course would be foolish to an extreme but it has been followed in other countries. Communism flourishes best when it is underground. It is the party of martyrdom. To outlaw it is to feed its strength. Keep it out in the open, and like a weed that flourishes only in the dark, it will wither in the bright sun.

The Legion program includes the necessary reforms which the professional anti-communists too often forget. There is only one sure way to stamp out communism and that is by removing the causes on which it feeds. Communism flourishes in poverty and a national misery. It makes no headway in a sound economy.

WHEN THOU MAKEST A FEAST

The story of the Nativity in the Gospel according to St. Luke is one of the most moving in the Bible, but it seems to us, of equal significance to the celebration of Christmas is a parable to be found in Chapter XIV, verses 12-14:

"Then said he also to him that bade him, When thou makest a dinner or a supper, call not thy friends, nor thy brethren, neither thy kinsmen, nor thy rich neighbors; lest they also bid thee again, and a recompense be made thee."

"But when thou makest a feast, call the poor, the maimed, the lame, the blind:

"And thou shalt be blessed; for they cannot recompense thee; for thou shalt be recompensed at the resurrection of the just."

We all of us, in our own way, make a feast on Christmas Day. For some, it is a family gathering with the laughter of children echoing through the quiet reminiscence of age. Others throw open their doors to their friends. Still others observe the day in loneliness. But all share in the observance. All mark the day.

Where good fortune has attended us, there is gaiety, the sharing of gifts, festival foods and dainties. Among the less fortunate, among "the poor, the maimed, the lame, the blind," the gaiety is too often tempered by the lack of food and warmth and pleasures for children.

We all make a feast; and we can, if we will, share it with others. If we do not invite them within our doors, we can at least contribute to the Christmas funds which at this time are making their annual appeals. They serve on your behalf. Give generously to them. Christmas is the time of giving, and those who receive cannot recompense you.

PROS AND CONS OF FARM SUPPORT PRICES

According to the "News Letter" of the Canadian Federation of Agriculture, "net cost to the federal government of its program of price support in farm products was \$3,128,960.62 from the time the program was inaugurated about five years ago, up to March 31, 1950. This does not include all of the present year's operations, which it is expected will add a net of another \$2 millions to the net cost. The price support act provides for a revolving fund of \$200 millions for operations under the act."

"The annual report of the agricultural prices support board just issued gives details of the net cost quoted above, as follows:

Potatoes, P.E.I., New Brunswick and Quebec, 1946	\$ 170,748.48
Potatoes, P.E.I. and New Brunswick, 1948	1,646,889.34
Apples, Nova Scotia, 1947	3,119,274.22
Apples, Nova Scotia, 1948	1,443,231.39
Apples, B.C., 1948	44,650.93
Apples, shipments to U.K. from 1949 crop, B.C. and N.S.	1,400,329.28

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Dried white beans in Ontario	194,419.88
Dry skimmed milk purchases	10,467.10
	\$8,128,960.62

The Financial Post's view is general among consumers. An editorial, "Dangerous and Unfair", says in part:

"Though all of the above are important in the limited areas where they are produced, it will be noticed that no item on that list could be termed a really major farm line. Yet the costs in relation to the total value of output are certainly substantial."

"Take dried white beans. Not so very long ago the whole Canadian crop wouldn't be worth much more than what the price support board has handed out. And \$6 millions paid out to keep apple prices high will seem like quite a considerable sum, too. If similar losses were suffered in price supporting really big items like wheat, bacon, beef and milk, as certain pressure groups would have Ottawa do, then the bill could run into really staggering proportions."

"That is what has actually happened in the United States where even the treasury of that wealthiest of all countries is beginning to worry about the size of the farm price support bill. That could also happen in Canada."

"This price support business is dangerous and unfair. It is dangerous because it is just like trying to corner the market on a national scale. All sorts of private speculators have wound up as paupers when they have tried to support a stock or a commodity at an artificial level, at a price the majority of buyers said was too high. It is unfair because the operation is largely financed by the consumer who must also pay the boosted prices. In other words, his own money is being used to rig the market against him."

As long as the government continues to market food products, farm price supports will be required. The one is the logical outcome of the other. When the government trades on the world market, it establishes a floor price which is frequently on an artificial level above world prices. When the contracts are terminated, the floor price collapses, and with it, the economy which has been established in relation to it.

There was an example of this last January when contracts with the United Kingdom were terminated. Poultry farmers, for example, faced real hardship when prices came tumbling down while costs, which had risen in relation to the contract price, remained high. The government had no choice but to establish support prices until domestic prices could be stabilized.

Farm support prices are all that their critics charge them with. They are dangerous and unfair. They establish a precedent which subjects the government to pressures which lead inevitably to the kind of extremes found in the United States. They force the consumer to pay a price which is maintained by their own taxes. But they cannot be avoided as long as the government continues to establish artificial prices on its food contracts.

YORK HAS STAKE IN CITY ELECTIONS

The north end of York county—indeed, all of the county—has a considerable stake in the outcome of the Toronto civic elections. One of the contenders for the mayor's office and several of the council candidates are publicly in opposition to the city's amalgamation proposals. These differences are a far cry from the supposed unanimity with which the proposals were originally advanced.

For the north end of the county, rejection of amalgamation will mean a substantial saving on county taxes. It has been conservatively estimated that should the city have its way, county taxes would at least be doubled. The municipalities in the south end of York, of course, would maintain their identities with all that this implies in tax savings and on an administrative level.

EDITORIAL NOTES

The parking problem of a Newmarket merchant stresses again the need for adequate rear entrance facilities for Main St. stores. Those on the west side of Main St. have some facility but east side facilities are limited. The possibility of widening Cedar St. and carrying it through to the north should not be overlooked in the future, and the west side laneway should be protected. There is evidence already of a trend which if permitted to continue without check will eventually block off rear entrance off the market square of west side shops.

Office Cat Reports Catnips By Ginger

Markus Uppercut, Cuttin' Corners merchant and champion of the peoples' rights, has been thrown into the community jug.

The gendarmes carried off the hero while he was making a torchlight speech to the masses. "This is an insult to the British North America Act! We are losing our liberties! What would the ancient Greeks say about this?" Markus shouted as the minions of justice slipped the cuffs on him and carried him away.

It all started when an ancient model T owned and operated by Markus Uppercut wheezed and died opposite the chief constable's favorite parking meter. That was back last winter during the big March storm. For a while no one noticed the deceased machine as it rusted beneath a melting snow bank.

When the spring thaw came sparrows built nests in it and the big St. Bernard over at the fire hall made it his private sleeping quarters. One of the deputies inadvertently slipped a parking ticket on it. A school boy tacked on a sign "Caesar's war chariot".

One day the chief constable noticed that law was being flagrantly disobeyed and a summons was issued to our hero Markus Uppercut. He went to court and argued his case on claims of squatter's rights but the magistrate, hearing none of it, imposed a fine. Markus grudgingly paid the fine but disclaimed ownership of the vehicle, swearing that he had sold it long ago to a Peace River farmer.

Law was flagrantly being disobeyed in the chief's opinion. Markus was being persecuted in Markus' opinion. Col. E. Holland Rivers, councillor without portfolio, attempted to inter-

reporting Markus Uppercut's Emancipation speech

Markus finally gave what came his vaudeville speech, the schoolhouse steps. Flanked by two torches and placards about freedom written in his own adaptation for torchlight readings of Lincoln's Emancipation Address. The people cheered but the chief constable won his case.

Mrs. Uppercut is taking sandwiches and coffee to the community jug every day now.

by "Back Concession" The Top Six Inches

The whole or fluid milk producers have had their ears pinned back and sent home with the admonition that food prices must be kept down.

The milk producers are the strongest farm organization we have. They presented a brief to a committee of three for arbitration on milk prices. This brief should be studied by all citizens. The farmers have lately been thinking in terms of bathrooms, running water in the farm home pay for the work that the farm wife and children do on the farm, wages for the farmer himself, interest on capital investments, depreciation on farm buildings, stock and farm machinery.

To have those things would raise the price of food. Now, the farm people must forget the and continue with the cold air treatment in winter. Farm children must be content with the price of a picture show and the farmer's wife can wear her old coat another winter.

There is at least something that may be a benefit to the farm people in this rejection in price for the whole milk producers. The attitude of the average whole milk producers has been that he is paying into his organization and his individual responsibility ends with a few dollars. Could it be that from now on the federation of agriculture will get the support from the average whole milk producer that it should?

Many milk producers work for and support the federation. Those men knew that there would be a showdown on prices. And the weight of all farm organization should be co-ordinated into one working unit.

This summer, the federation organized the whole wheat producers. This organization and

the federation advised the farmers to hold their wheat. The result was a rise in price of wheat.

We have been told the Back Concession's articles are a matter of a sameness. Plucky people go to the picture show every time there is a change in pictures but the story is the same every time. The boy and girl have a hard time in the love affair but at the end of the picture, they always fold in each other's arms. The farmer's special, the wild west picture, has the villain always getting the girl when in rides a hero on a horse, guns smoking. The villain gets a good beating by the hero, and girl marries hero.

The same thing happens in our love story magazines. They lay the magazines away please or disgusted. We come out the show, a wonderful show, rotten one, all a matter of how one thinks. It becomes difficult to change the pattern of people's thinking.

It has been said that there is nothing new under the sun. Our preachers, teachers and lecturers tell us what we already know but from a different angle. Our political parties, election time work on the assumption if enough people tell the same story, the public will believe it. It would seem that Back Concession, by reports, is all washed up, by driving one point, he failed to achieve the result that he had hoped for.

An honest effort that prove a failure is better than no effort at all. If the people wish this column to turn into a funny story column someone else will have to write Cheerio.

THE OLD HOME TOWN By STANLEY

An Aurora Opinion

DOROTHY BARKER

Aurora Editor

Is Aurora suffering from election inertia? Too few citizens take the annual municipal elections very seriously. Though there is a noticeable trend toward an awakening to civic consciousness, the difference between the numbers of eligible voters listed on the assessment roll and the total number of votes cast never comes anywhere near tallying.

KETTLEBY

The sympathy of the whole community is extended to Mr. G. Macnab and family in their recent bereavement.

Mr. and Mrs. D. McLaughlin and daughter, Donna, from Lindsay were weekend guests of Mr. McLaughlin's father, Mr. J. W. McLaughlin.

Christ church Ladies' Guild met at the home of Mrs. Ed Wood on Tuesday, Nov. 14, with nearly all members present. Plans were discussed for the congregational supper for the first week in December, also for the Sunday-school party later in the month. Next meeting in December, we should like all talent money handed in. Please don't forget this important item as the books are closed the end of the month.

Congratulations to Mr. and Mrs. J. Archibald, Pottsville, who celebrated their wedding anniversary on November 21. We hope they both will be spared to celebrate many more.

Services next Sunday at Christ church will be Sunday-school 2 p.m., evening service 3 p.m. standard time.

ARMITAGE

Mr. Thomas Keith Lewis and Miss Alice Luella Dawson, daughter of Mr. and Mrs. W. S. Dawson, were married on Monday, Nov. 20, at Olds United church, Olds, Alta. The reception was held at the Elks Hall in Olds.

Mr. and Mrs. Jack McFadden spent Sunday with Mrs. McFadden's sister, Mrs. B. Hendricks. Master Wayne Lewis has gone to Kingston where he will stay with his aunt until Christmas.

The Armitage Community club held its dance at Blue Bird Inn on Friday, Nov. 17, and had a fairly good crowd.

The regular meeting of the Community club will be held this Friday, Nov. 24. Let's have a good turnout.

LIBERALS CHOICE TO LEAD ONTARIO PARTY

Walter C. Thomson, lawyer-farmer from Pickering, Ont., is the new leader of the Ontario Liberals. He was elected at a party convention in Toronto attended by members from all over the province.

Sharon News

Friday, Dec. 1, at 8 p.m. in St. James the Apostle church, there will be a repeat of music recital with guest vocalist, Miss Lillian Holborn of Sutton West.

Sharon public school concert will be held at Sharon hall on Dec. 19. Further particulars later.

Mr. and Mrs. Russel Donaldson spent the weekend at Ottawa with their son and family.

Mr. and Mrs. Harold Dixon and children of Hamilton were Sunday guests of Mr. and Mrs. Howard Fife.

Miss Lulu Atkinson of Toronto spent the weekend at home. Mr. and Mrs. J. Weston of Toronto spent the weekend with Mr. and Mrs. Ralph Long.

Mr. Bruce Ramsay of Toronto spent the weekend with his parents Mr. and Mrs. E. F. Ramsay. Mrs. E. Farr spent a few days with friends at London.

Mr. and Mrs. Kenneth McLeod of Detroit, Mich., and Mr. and Mrs. Fred McLeod attended the funeral of their brother-in-law Mr. Kaye, at Bracebridge on Saturday.

Mr. and Mrs. E. F. Ramsay visited Mr. and Mrs. Raymond

Ramsay of Stroud on Sunday. Mrs. Buchanan of Toronto visited her sister, Mrs. B. L. Phillips, last week.

Mrs. M. E. Kiteley and Master Robert Vernon spent the weekend in Toronto with Mr. and Mrs. Arthur Wilkins.

Mr. and Mrs. A. Arnold of Zephyr, Mr. and Mrs. Alex Arnold of Western Canada, Mr. and Mrs. Aldridge and Mr. and Mrs. Wyatt and daughter Jean all of Toronto were recent guests of Mr. and Mrs. Howard Fife.

St. James' W.A. corporate communion for St. Andrew's Day, Nov. 30, at 11 a.m.

Teen Topics

By CRIS MOORE

Teen Topics is based on letters received and does not necessarily apply to any one individual.

Dear Cris,
I am a boy in my middle teens. I go to high school. I work after four and on Saturdays in order to supplement my father's meagre salary. I didn't use to mind doing this, but now he seems so ungrateful I see no reason to go on helping out at home. My mother doesn't agree with me. She claims that it is my duty to continue working despite my father's ingratitude. What do you think?

R. L.
Until I read your letter, I had no idea that any boy could be so selfish. Did you ever stop to think of the sacrifices your father and mother made for you before you were old enough to get out and work? You should realize that no matter how much you do for your parents you will never be able to fully repay them.

Write your problems or suggestions to 'Teen Topics,' care of Era and Express.

AURORA HIGH SCHOOL

On Tuesday, Nov. 14, Aurora and Newmarket high schools played their second and last game of the play-offs. The score, much to our dismay, was Newmarket 6, Aurora 0.

Nominations for the Literary Society were made Wednesday, Nov. 8. The voting was on Wednesday, Nov. 15. Results were: pres., Nora Knowles; vice pres., John Gilbert; sec., David Harrison; treas., Patrick Davies; Room representatives: IXA, Mary Garden, Henry Boonstra; IXB, Martha Scott, Ronald Knowles; IXC, Laura Coulson, Ross Smith; XA, Norma Wells, Chris Johnson; XB, Carol Taylor, Peter Boyd; XIA, Mary Adams, Tom Dobson; XIB, Velvina Bennett, Lynn Easterbrook; XIIA, Rema Marshall, William McCachren; XIIB, Ruth Wilson, David Bachly; XIII, Joyce Hatley, Michael Maughan.

On Thursday and Friday, Nov. 23, 24, the annual high school commencement will be held at the auditorium of Aurora high school at 8.15 p.m.

—Marilyn Thomson

MOUNT PLEASANT

Mr. and Mrs. Pipher of Markham visited at the home of Mr. and Mrs. Percy Brown on Sunday.

Mr. and Mrs. Herb Moorby and family of Gormley had Sunday supper with Mr. and Mrs. Bernard Davidson.

Mrs. L. Sproule of Gormley visited Mr. and Mrs. Robt. Davidson on Sunday.

Mumps are on the move again. The ladies are busy quilting at Mrs. Brown's home.

OAK RIDGES NEWS

Seek Street Lights For Wilcox-Ridges Area

Street lights for Oak Ridges and Lake Wilcox area will be discussed by the Ratepayers' Association at a general meeting on December 4 at Oak Ridges school. Streets in the lake area are "black as ink" on dark nights, residents say. A petition requesting the township council to take action would require signatures of 60 percent of ratepayers, association officials state.

A report of a committee of three appointed earlier to make an inventory of present fire fighting equipment will be made. The results of investigation regarding a tank truck will be heard from a committee of Stan Hart, Dan Melver and George Farquharson.

The improvement of the north lake road remains a vital issue with residents strongly agitating immediate action. So far it would appear we get little encouragement from council officials, Dan Cook, vice president of the association, stated.

Discuss Crossing Lights

Determined to convince the provincial department of highways of the need for a school crossing stoplight, ratepayers of Union S. S. 1 will meet at Oak Ridges school on Tuesday night, Dec. 12. The decision for a public meeting was the outcome of a meeting of a volunteer committee from the Home and School Association with the trustee board last week.

The committee, headed by chairman W. Arland, will back the school board to the limit. A campaign to acquaint all ratepayers of the critical traffic hazard has been set up with expectation of a full representation at the forthcoming meeting.

It is generally felt that the installation of a hand-operated light is the only solution. A request from King Twp. council to the government to create a 30 m.p.h. zone at the school has been declared impossible. The high-way traffic art requires a built-up area to reduce the speed limit. The department of highways has suggested to officials of King Twp. that the school caretaker act as crossing guard. This is being done with limitations. The caretaker does not have authority to stop traffic.

"We do not intend to wait until a child is killed to convince the government of this necessity," declared Mr. Arland.

Groceries Appreciated

Hart's cash and carry business at Lake Wilcox, established by Stanley Hart a month ago, is meeting with commendation from the shopping district. Mr. Hart has converted his place into a modern, well stocked grocery store. Christmas trade outlook is promising this year. Mr. Hart has made lucky draw donations in aid of the local Christmas fund.

Mr. E. L. McCarron, president of Oak Ridges and Lake Wilcox Ratepayers' Association, has provided district school children with pamphlets dealing with fire hazard. Arranged in picture story form, they are eagerly read and understood by the youngsters. Mr. McCarron has also secured a number of Christmas carol song sheets for children who are being trained by Mrs. Wm. Ashby, Mrs. Clifford Weston and Mrs. Tom Maguire for the Christmas concert December 22.

Mrs. W. Ashby has been named publicity convener for Oak Ridges and Lake Wilcox Ratepayers' Association. With Christmas treats for some 250 children and baskets for needy families the objective, children are busy selling most tickets for the "big night", December 22, when numerous valuable draws will be made at the Christmas concert. Two lovely sweaters were received by Mrs. Ashby this week in aid of the fund. Bingos are being held at the home of Mrs. Hamilton and tea cup reading held on November 22 at the home of Mrs. Beatrice Geddis, whose mother acted as "reader", proved entertaining.

Miss Anne Stephenson placed second in the open soprano class at the Estefodd Music Festival at Hamilton November 18. Six competed in this class. Anne and her mother, Mrs. C. L. Stephenson, spent the day in that city.

Brenda Bunn, year-old daughter of Mr. and Mrs. Eric Bunn, is recovering from a severe attack of bronchitis.

Mr. and Mrs. Bernard O'Brien and their two children from Toronto are now occupying the house belonging to Roy Renwick.

St. John's W.A. Sale

The annual bazaar and rummage sale given by St. John's W.A. went over the top on November 14 when more than \$113 was collected to aid the work of the auxiliary. Held at Ridge Inn, Mrs. Maurice Beynon, Temperanceville, the president, received guests who came from Richmond Hill, Elgin Mills, King, Temperanceville, Aurora, and other nearby points.

The tea room and booths were well patronized by eager buyers. Miss Boothman and Mrs. Hanson were in charge of the rummage table; Mrs. Frank Legge and Mrs. Nelson Thompson, sale of bazaar items; Mrs. Neil Dibb,

home baking; Mrs. Giles Kerswill, apron booth; afternoon tea committee, Mrs. Jas. Turritt, Mrs. Everett Phillips, Mrs. T. Dibb, Mrs. Fletcher Thompson, Mrs. W. Bell was treasurer.

On Wednesday, Dec. 6, St. John's W.A. will join Richmond Hill auxiliary at St. Mary's Anglican church. Prior to the general meeting each group will meet separately for business and election of officers.

Oak Ridges Rider Applauded

Anne Rowe, six, was roundly applauded by Winter Fair spectators when she rode her pony, Judy, with distinction in a class where ponies alone were judged. Anne outclassed her own mount as she "put Judy through her paces" to the delight of the huge crowd. Proudly supporting her were 16 members of her riding club at Oak Ridges, who journeyed to Toronto for the event. Her riding teacher is Miss Marilyn Hawman.

Guide Night Successful

Proceeds from the annual Girl Guide night held by Oak Ridges Guide Association at the school on November 17 were \$40. Attendance numbered 150. Skits produced by Mrs. Louis Colombo gave color and action to the program, to include "Rudolph the Red-nosed Reindeer", given by the King Fisher patrol, with Brenda Colombo as Rudolph. Other reindeer were Bobbie McCachen, Heather Cowie, Eleanor Bryce as Santa Claus, Claudia Marshall.

The Family Drama, presented by the Tanager patrol, brought in the success of a family budget. Taking part were Audrey Shutt as mother; Edith Geary, the father; Pat Shutt, Edith Longhurst, Joan Long and Barbara Brown, all children.

A fire prevention film and a comic strip were shown. There was a sale of home baking, candy and gifts. The draw prizes were won by Mrs. Rella Wills, Norris permanent wave; Bobby Dion, Wood's Groceries basket of groceries; Charles Patterson, a walnut lamp table; Kenneth Dion, six, the credit voucher given by Fuller's Dry Goods, and Teddy Musson, a leather wallet, a donation from the Wheel House.

Vote on School Site

Ratepayers of S.S. 13, Whitchurch Twp., will vote on a school site on Tuesday, Nov. 28, at Oak Ridges school. The site selected by the trustee board in co-operation with the township council and the school inspector will be fully explained by Alfred Patchell, chairman of S.S. 13. John Crawford, township clerk and O. M. McKillop, I.P.S. will be present.

At a meeting of the trustee board of Union S.S. 1, King and Whitchurch, with the new school board of S.S. 13, Whitchurch, held Tuesday night it was decided that the 203 children of S.S. 13 attending Oak Ridges school will be permitted to continue until a school building is provided. Were the enrolment to increase beyond accommodation, other arrangements would be required for our children, said Alfred Patchell, chairman of the Lake school board. Nevertheless according to the school act, education costs of S.S. 13 children enrolled at Oak Ridges will commence on January 1, 1951.

Based on the average 1950 cost per pupil to Union S.S. 1, taxpayers of the new Whitchurch school section will pay approximately six dollars per month for each child enrolled in Oak Ridges school, Mr. Patchell said. Construction of a six-room building seems most likely, he pointed out.

Cub Leaders to Meet

An open meeting for parents and all those interested in Cub activity will be held on Thursday, Nov. 30, at 8 p.m. in Oak Ridges school when a general discussion on the high purpose and development of cubbing will take place. John Bradbury, local cub master and prominent leader of York Central District will join with the local pack and their families in a social atmosphere to learn more about the essentials of the organizations with its fine principles of childhood training.

BELHAVEN

Quite a change in the weather this week. Mr. and Mrs. Norman King and Floyd spent Sunday with Mr. and Mrs. Geo. Duncan at Brougham.

A large crowd saw the pictures shown by Rev. Huston in Belhaven hall, Sunday evening in aid of the missions.

Mr. and Mrs. W. Cryderman and Earle had supper Monday evening with Mr. and Mrs. Lloyd Kay.

Our girls' club leader, Mrs. W. Kidd, and her assistant Miss Phyllis Pegg, also Miss Muriel Willoughby and Auldene Kidd spent last Wednesday in Toronto at the Royal Winter Fair.

Mr. Edwin Mahoney and a car load of hockey fans spent Saturday in Toronto attending the O.M.H.A. convention and banquet also the Saturday night game in Maple Leaf gardens.

We welcome Mr. and Mrs. Thurston to Belhaven. They have recently purchased the former Briggs' property.

The secret will soon be out about "Louisa".

Glad to report Mrs. Hare is home from the hospital and progressing favorably.

Our hunters have returned from the north, all report the same, "No luck this season."

"I nearly stopped being a WORKING GIRL"

"I could see the boss was wondering what I was doing on the spot or wait for the end of the week. And I just couldn't care. I felt so livery and woolly head. Made a mistake in every letter I typed. Didn't care what happened."

"Then Jill, she's the girl who works with me, handed me a packet of Kruschen. She didn't say a word but I took the hint. Just a pinch in the morning coffee, tea or fruit juice is all it took to straighten me out. The little pinch of Kruschen Salts saved my job and then some. Now I'm so full of pep I'm all in line for the next promotion in the office."

If you hate alarm clocks, wake up wishing you hadn't. . . and feel dopey all day . . . try Kruschen. . . Just see what that little spot of Kruschen can do for your outlook. Go on . . . your nearest drugstore sells a lot of Kruschen Salts.

Get K-6-S-L-A-S . . . get that active feeling!

KRUSCHEN

Interment St. James cemetery on Saturday.

IN MEMORIAM

Baring—In loving memory of a dear father, Franklin Charles Baring, who passed away Nov. 23, 1945, and a loving mother Annie Elizabeth, who passed away Nov. 19, 1949.

Their smiling ways and pleasant faces
Are a pleasure to recall.
They had a kindly word for each,
And died beloved of all.
Someday we hope to meet them,
Someday we know not when;
To clasp their hands in the better land
Never to part again.
Sadly missed by daughter, Gladys and son-in-law Everton and grandchildren, Betty, John, Bill and Doris Goode.

Whittaker—In loving memory of a dear husband and father, John Whittaker, who passed away November 23, 1949.

A year has passed since that sad day
When one we loved was called away;
God took him home, it was His will,
Within our hearts he liveth still.
Ever remembered by his wife and family.

ENGAGEMENTS

Mr. and Mrs. Cecil Wood, announce the engagement of their daughter Margaret Anne to Mr. Howard Richard McCannan, son of Mr. and Mrs. Bert McCannan, the marriage will take place quietly in Trinity United church Jan. 1.

OBITUARY

Mrs. Elizabeth Atkinson

After several months of painful illness, Elizabeth Harvey Atkinson passed peacefully away at her home, Crow's Corners, Oct. 30, in her 78th year. The daughter of Mr. and Mrs. William John Harvey, Mrs. Atkinson has been a life long resident of Sunnisdale Township. She married Alfred (Dick) Atkinson 55 years ago, on April 17.

She lived at New Lowell for several years, moving to the 12th line of the township, and seven years ago moved to her recent home at Crow's Corners. The funeral services were in the charge of Rev. J. E. C. Shepherd, recently appointed pastor of Ebenezer United Missionary church of which she was a member for over 60 years. Assisting in the services were Rev. J. Henry Good, Rev. W. E. Prosser and Rev. M. Bricker, her former pastors, also Rev. Levi Atkinson, United church, Uxbridge and Rev. Robt. Graham, United church, Stayner.

Among the mourners were three ministers who were the deceased's nephews. Revs. Clinton Bell, Lions Head; O. M. Bell, Kitchener, and Dr. Ross Bell, medical missionary from Nigeria. The many beautiful floral tributes testified to the esteem in which Mrs. Atkinson was held.

The church was crowded with relatives, neighbors and friends who came to pay their respects and express sympathy to the mourning family. Interment was in Ebenezer cemetery. Left to mourn her loss are her husband, Alfred (Dick) Atkinson, a daughter, Hazel, at home, four sons William and Harvey, Sunnisdale, Elwood, Toronto and Omar, Stayner, also three granddaughters, Clarence and Lorne Atkinson, Alvin Smith, Oliver Raymer, Charley Harvey and Dr. Ross Bell.

AUXILIARY TOLD OF CHURCH FAIR

The November meeting of the Afternoon Auxiliary of the Women's Missionary Society, Trinity United church, Newmarket, was well attended. Mrs. J. A. Maitland, first vice president, presided.

Mrs. W. R. Stephens gave an interesting account of the international fair held at the Church of All Nations, Toronto. Attending the fair from the auxiliary were Mrs. Roy Meads, Mrs. W. Codlin, Mrs. Maitland and Mrs. Stephens. The study on Japan was given in the form of a dialogue by Mrs. Frank Robinson and Mrs. Maitland.

The annual meeting with the election of officers will be held in December. A special Christmas program will be presented. Because of the importance of this meeting it is hoped that there will be a full attendance.

MOUNT PLEASANT

Mr. Bert Stephens is in Toronto to this week attending a reunion of his battalion of World War I. The neighbors of Mr. and Mrs. Norton gave them a surprise last week by presenting them with some lovely chrome kitchen furniture for their new home. Sabbath school at 2 p.m. and service at 3 p.m.

EXPECTED HOME SOON

Mrs. T. A. McCormick, Newmarket, has been a patient for the past nine weeks at St. Michael's hospital, Toronto. She is reported to be progressing satisfactorily and hopes to be home before Christmas.

HAS OPERATION

Mr. Gordon Simmerson, Newmarket, who was a patient at York County hospital where he underwent a major operation has returned home. He is progressing satisfactorily.

Mr. Fred Henry, Alliston, visited Mr. and Mrs. Fred Foulton last week.

Prison Chaplain To Conduct Last Service In Fall Rally

The fall rally and preaching festival at the Newmarket Christian Baptist church is moving forward with a fine spirit of encouragement. Messages of challenge and devotion are being given to a growing congregation of listeners. Each service has had its own unique point of interest. This interest continues to mount and it is anticipated that it will find its climax in the services of Sunday, Nov. 26.

Tonight at 7:30 Rev. Arthur Poynter of Olivet Baptist church, Toronto, will conduct and speak to the meeting. Mr. Poynter is the leader of the Toronto Baptist Choral Society. Friday will bring the weeknight meetings to a close under the leadership of Rev. J. E. Nordlund, Castlefield Baptist church, Toronto.

The closing day of the rally has been well planned. The Sunday morning worship service will be addressed by Rev. E. J. Dreisinger, Indian Road Baptist church, Toronto. Dr. Dreisinger has enjoyed the experience of building a run-down congregation up to a full church attendance.

The final service will have spiritual dimensions beyond the usual measure. Bob Munro, Montreal, will be in complete

REV. J. E. NORLUND

charge of this service. He comes to Newmarket in the midst of a busy program of evangelism in the prisons and houses of correction. The press recently wrote extensive articles on this man's efforts and success in his unique task. Bob has a helper in his services—a cornet.

King City And District

(See also page 14)

All Saints Anglican W.A. will meet at the home of Mrs. S. Scott, King, for a bazaar shower to increase the supplies being provided for Dec. 9, the date of the sale at the church.

The Girls' Auxiliary will conduct a candy booth at the bazaar. G.A. Elect Officers.

Mary Jane Walker was made president of All Saints Girls' Auxiliary at the annual meeting on Nov. 13. Others elected are: 1st vice pres, Fay Armstrong; 2nd vice pres, Freda Dent; sec., Suzanne Grew; treas., Lois McBride; social committee, Freda Dent, Shirley Rawlings and Norma Wells.

Addresses W.M.S.
Mrs. A. S. Curr, president of Toronto West Presbyterian, addressed a combined gathering of Eversley, Besa and St. Paul's Vaughan Presbyterian missionary societies sponsored by Eversley at the home of Mrs. Fred Curtis, on Nov. 15.

Mrs. Curr spoke on the past, present and future of missions at home and overseas. "We need those who will lift up their eyes to see what has been done, what is being done and is to be done," Mrs. Curr stated. She spoke of the gratitude of the presbyterial to rural women whose contribution to the church and missions plays a vital part in the christian way of life.

Mrs. Glenn Davis of West King was soloist. Mrs. Lyman Davis, Nobleton, spoke on behalf of Besa W.M.S. of which she is president. Mrs. Alex Bishop, president of St. Paul's spoke for her auxiliary. Mrs. T. L. Williams thanked the speaker for her address, and others who took part in the program. Mrs. Curtis presided.

The thankoffering amounted to \$25, a little short of the allocation of the society.

Laskay United Y.P.U. heard Jesse Bryson, of King, vice president of Toronto Centre North on the function of the National conference of the Y.P.U. of the United church, breaking up its component parts down to the local union, which he said forms the basis of the whole structure according to the "best" the individual member gives. Convening the program given at Laskay church on Nov. 17 was Mrs. Jesse Bryson. Miss Helen Hunter presided.

Afterward a one-act play by members of the Union scheduled for the Christmas entertainment was dealt with. Miss Gladys Johnston takes the leading part. On Dec. 1 Mrs. M. R. Jenkinson will arrange the Y.P.U. program.

'FAMILY PORTRAIT: These who fondly remember earlier times' shows will equally enjoy the new technique 'With of Home' at the Ritz, Newmarket, Thurs., Nov. 23 - 25.

Sonja Such Models For Mayfair in London

Sonja Such, daughter of Mr. and Mrs. Bill Such, Pearson St., Newmarket, flew to England last week. Miss Such is a free-lance model who has appeared in many Canadian fashion shows and is seen often on magazine covers and in national advertisements. Her trip to England followed recent arrangements with Mayfair Magazine to do modelling in London.

In a letter home this week she told her parents of being photographed with the British actor, Robert Donat, the first day in London.

Aurora Social News

Mrs. E. Murick of Toronto returned home on Friday after spending a few days with her sister, Mrs. F. Bolton.

Miss Reta Brown of Toronto spent the weekend with friends in town.

Miss Shirley Bull spent the weekend with her mother, Mrs. Wm. Bull.

Mr. and Mrs. Don Burling, George St., are attending the funeral of Mrs. Burling's mother, Mrs. George Anthony, Hagersville.

Master Roy Bolton spent the weekend in Toronto with his aunt, Mrs. Murick.

We are sorry to report that Mr. Wm. Profit Tyler is quite ill at his home on Tyler St. We wish him a speedy recovery.

THREE CELEBRATE BIRTHDAYS AT ONCE

A birthday party was held in honor of the Misses Jean Mino, Elsie Gibbons and five year old Marilyn Sedore at the home of the latter's parents, Mr. and Mrs. Bruce Sedore, Newmarket, on Monday, Nov. 20. There were about 30 present.

An evening of games was enjoyed at the close of which a gift was presented by the group to each of the honorees. Refreshments were served by the hostess assisted by Mrs. Cyril Gibbons and Miss Evelyn Crowder.

Last Call For Sellers At Community Bazaar

Any person wishing to enter articles for sale in the community bazaar, please deliver them to Mrs. Stewart Beare, 113 Main St. on Thursday, Nov. 30. All articles must be clearly marked as to price and owner's name. A 15 percent of the selling price will be retained by the Handcraft group to help defray expenses.

The community bazaar will be held from 2 to 10 p.m. in the town hall on Tuesday, Dec. 5, under the auspices of the Newmarket Handcraft group. Over 14 individuals and organizations met on Wednesday evening to draw for space.

Removes Parking Ban West Side Of Cedar St.

The Newmarket council passed a motion by councillors Charles VanZant and Lorne Paynter to change parking restrictions on the west side of Cedar St. Cedar St. runs parallel to Main St. past the arena.

Parking restrictions have been lifted from 7 a.m. to 6 p.m. on the west side but there will continue to be "no parking" from 6 p.m. to 7 a.m. Councillor Chas. VanZant said that there must be sufficient access on the street for fire trucks to move into the area. Parking restrictions remain on the east side.

CONSERVE POWER

District residents are urged to conserve electric power as much as possible, particularly between five and six p.m. Hydro officials explain that with Toronto reverting to standard time on Sunday morning, the peak load for the system will fall on those hours.

Everyone is talking about Louisa.

IT'S A Woman's World

By CAROLINE ION

Like many families we have been looking for land for a summer place. Each holiday since coming to Ontario we have vacationed in a different locality with the same question in mind—is this the spot? Returning from the North Bay district two summers ago, we passed through the Haliburton Highlands for the first time. Here, we felt, was just what we wanted.

Everyone has his own ideas of the perfect site for a summer cottage. With some, the emphasis is on modern conveniences. They want to have their holidays away from the city, but without forsaking any of their urban ways. To them neighbors on each side are imperative. Accustomed to the lullaby of blaring radios and roaring traffic, they could not sleep if the loudest sound was the chirping of the crickets or the bull frog's throaty croaking.

It's not that we are anti-social, we like people, but not breathing down our necks each time we venture out of our summer cottage. The sight of row on row of cottages in sub-divisions which advertise "every convenience" certainly does not fill us with longing. Why leave home if what you want are neatly clipped hedges, a wide expanse of mowed lawn and flower beds to tend?

However, one can venture too far in the other extreme as we found out on our most recent trip to Lake Kushog in the Haliburton Highlands. Taking advantage of a mild Saturday earlier in November we set out on our search for crown land armed with a map showing various lots on this lake which were available. We were prepared to "rough it" but certainly not to the degree which later proved necessary.

We had been warned beforehand by local residents who had obtained land at this lake that we "might have to walk a mile or so." It's a wonder they didn't call it a stroll. On and on we tramped, fell and stumbled through heavy underbrush through which there was no trail. Oh yes, did we mention that it was mid-calf deep in snow? (Aren't you glad it snowed, Mommy?) chirped our son as he grabbed for an overhanging branch. Silently we removed the snow from the inside of our collar. In all we travelled seven miles "as the crow flies", but as there were no crows flying ferry command that day, we covered at least twice that mileage.

Over rocks and fallen trees, skidding down steep inclines, ducking under low-hanging branches some of which had an exasperating fashion of hitting us smack in the snout... oh, there is nothing quite so invigorating as a brisk walk in the woods. (Don't let them fool you—it will add years to you.)

As if this wasn't sufficiently rugged, throughout all this commando-training we had to keep on the lookout for aluminum disks about four inches by three inches which marked the available crown lands. Looking for that proverbial needle in the haystack will come easy after this. As far as on could see were trees and more trees. All we had to do was to locate the one with the marker. "There must be a less exhausting way of obtaining

—Mr. and Mrs. Walter Hall, Newmarket, accompanied by Miss Aleta Widdifield, Pine Orchard, spent a few days at Windsor and visited Port Huron on Sunday.

Wanta get the low-
down on "Louisia"?

News of the W.I. In North York

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The Queensville branch will hold its regular meeting on Wednesday, Nov. 29, at 2 p.m. at the home of Mrs. Sydney Milne. Motto: If you brood over troubles you are apt to get a good batch. Roll-call: display of homemade Christmas gifts. Program: report of W.I. convention by Mrs. J. B. Aylward; a reading by Mrs. R. Chapman. Hostesses, Mrs. H. Morton, Mrs. Aylward and Miss F. Cranley.
Each member is asked to bring a large cake of Ivory soap wrapped in a wash cloth and tied with ribbon.

Plan For Farmers' Ball At Aurora High School

Invitations have been mailed by the joint masters and members of the Toronto and North York Hunt for the annual farmers' party to be held in the high school, Aurora, on Friday evening, Dec. 1, at 8 o'clock. If any farmers in the district over whose land the club hunts have not received invitations, will they please telephone Mrs. Harold Woolnough, Aurora 254j.

The Vandorf branch regular meeting was held at the home of Mrs. Rollie Scott on Wednesday, Nov. 15, with a good attendance and Mrs. Geo. Richardson presiding. The topic was given by the conveners of the citizenship and education committees, Mrs. Stanley Stevenson gave her topic in two parts, one on citizenship and the other on the United Nations. They were inspiring.

Mrs. Gordon Mackey read a poem entitled "Myself" and Mrs. Arthur van Nostrand gave a short talk on education which included a few items of interest back in 1837. The delegates to the Toronto convention, Mrs. Geo. Dewsbury and Mrs. R. J. McCarron, each gave splendid reports of the convention.

Mrs. Harvey Preston sang a solo. Mrs. Geo. Richardson and Mrs. Fred van Nostrand arranged the hobby basket sale which consisted of oatmeal cookies and Christmas decorations. The roll-call was well responded to by hints for the prevention of fire. A lovely lunch was served by the hostesses, Mrs. F. Pattenden, Mrs. A. van Nostrand and Mrs. A. Pattenden.

Elmhurst Beach branch met at the home of Mrs. C. Hodgins. There were 20 members present and one visitor. Mrs. Boynton, the president, was in the chair and after the usual proceedings of the roll-call, minutes, etc., Mrs. Hodgins took over as this was the grandmothers' meeting. Mrs. Fowlston gave us the highlights of the convention as her part, then we had a reading by Mrs. F. Lockerbie, The Old-Time Family. Mrs. A. Sedore gave a demonstration on making bedroom slippers. Mrs. Baines gave a reading, Grandmother's Day. Mrs. S. Sedore gave current events.

Mrs. Hodgins told about "When grandma was a girl", Mrs. Williams, "Mending the hole in the road", Mrs. Lunn, "The Inventor's Wife". All the grandmothers then sang "When you and I were young, Maggie", and "Grandfather's Clock". The hostesses served a dainty lunch. The next meeting will be at the home of Mrs. R. Sturdy December 6. Remember the gifts for the shut-ins. Refreshments, Mrs. J. Hodgins, Mrs. S. Sedore and Mrs. Lunn.

COUPLE TO MAKE HOME IN CALIF.

The home of Mrs. Wm. Powell, Aurora, was the scene of a pretty wedding on Saturday, Nov. 18, when her sister, Charlotte E. Atkinson, became the bride of Herbert T. Grimshaw, Yacaipe, California.

Rev. H. J. Howey, assisted by Rev. E. C. Modde, performed the marriage ceremony and the couple were attended by Mr. and Mrs. Roy Morley, Stouffville, the latter a sister of the bride. Miss Lelia Reynolds, cousin of the groom, played the wedding march.

The bride looked charming in dove grey silk crepe, with wide insets on bodice and pannered skirt of exquisite chintilly lace in the same tone. A shoulder cascade of tulle and roses and fern completed her costume. Mrs. Morley wore attractively gowned in burgundy wool crepe with crystal bead trimming in harmonizing shades and wore a corsage of yellow and cream roses.

The hostess, Mrs. Powell, wore smoke grey silk faille with buttoned bands of the same material on the skirt. She had matching silver accessories and her corsage was of American beauty roses.

The living rooms were bright with bowls of yellow and white chrysanthemums. On the tea table, with its cloth of lace, stood the handsome three-tiered wedding cake, the combined handiwork of the bride and groom. It was banked with pink tulle and flanked by lighted cream tapers. A delicious buffet supper was served at the conclusion of the wedding ceremony. Rev. H. J. Howey acting as toast master. The toast to the bride was proposed by Rev. E. C. Modde. Assisting in serving were Mrs. Kenneth Giles, Mrs. Norman Egan, Mrs. Leonard Holman, Miss Ethel Empringham and Miss Shirley Holman.

Later in the evening the happy couple left by motor for Hamilton, the bride travelling in a becoming dressmaker suit of maroon gabardine, with black hat trimmed with soft coq feathers. Black accessories and a corsage of pink roses completed her ensemble.

On their return, Mr. and Mrs. Grimshaw will leave shortly for their home in Yacaipe, California.

IS IN HOSPITAL

Ivan Bray is in York County hospital suffering from a hand infection, being the result of an accident three weeks ago.

CELEBRATE ANNIVERSARY
Mr. and Mrs. Tess Gilkes are celebrating their 30th wedding anniversary on Friday, Nov. 24.

TEACHERS ARRANGE H. AND S. MEETING

The teachers have arranged an interesting program under the direction of William Blackshaw for the Newmarket Home and School Association meeting to be held in the Prince Charles school on Tuesday, Nov. 28. The meeting will begin promptly at 8 p.m. and the town bus will be at the school at the close of the meeting.

The motion picture, "He acts his age", covering the behavior of the school-age child, will be presented followed by a discussion period based on the film. Miss Frieda Bulmer will give a talk directed to the mothers of pre-school age children and those in the junior grades. A brief, but varied, musical program has been arranged.

A cordial invitation is extended to the public to attend this meeting.

FEDERATED H. AND S. ASK BAN ON KNIVES

The following four resolutions were passed by the spring convention of the Ontario Federation of Home and School Associations. They are indicative of the interest of the association in all matters concerning the welfare of children.

That additional men be appointed to the board screening films on sex education; that a ban be placed on the importation, manufacture and distribution of spring knives; that a new building be constructed for the School for the Blind at Brantford; that teachers' training schools allow more time for child study.

Haskett's

HASH

BY GEORGE HASKETT
Newmarket Sports Editor

We're asking and not expecting any answer, but who's supposed to be getting into shape? The players or the penalty timers? Sin bin at the memorial must be looking like a fine haven. "Carp" and "Pigskin" trooped to 23, and could have scooped in as many more, in the Spits-Markies whamming clash. Stretcher-bearers and boxing gloves ahoy—six scrapping sentences.

Hub trouble ahead. Spits couldn't cope with Markies' razzle-dazzle passing plan. At that, Spits didn't appeal to have the same amount of try and skating drive as in the first pair of exhibition contests with Stoneys and Bracebridge.

Hockey fashions are definitely swinging away from old styles. Puck used to be main reason for 12 men to drop over the boards. Now the biscuit is just an accessory. Of course that's not only true of hereabouts but everywhere, from below junior up to the big time or maybe we've got the cart before the horse as the N.H.L. sets the stylings. How much wing-ding-slap-bang can the fans take? Who knows, maybe they like it that way, although they express themselves in the main for the former brand.

Congrats. The old firm of "California Oranges, California Cactus, We Play Aurora, just for the practice" or should we say Fred Speer's well drilled football aggregation from the N.H.S. wrapped up North York interscholastic football championship last week. Ran through an unbeaten-untied season. Hail the champs!

Trolley songs: O.H.A. has sent along a fine assortment for the Trolley League this term. Six teams: Aurora, Woodbridge, Alliston, Brooklin, Sutton and Bradford. Trouble is that the last mentioned pair are lost to the rural hockey this term. Tough to lose 'em as both should stand a good chance against Alliston and Brooklin who are making their first stab at O.H.A. competition. Failure of these two to re-enter brings in Daves-Danforth Combines, a strong senior B sextette, and Navy club. Daves will have home ice at Unionville while Navy has applied for home ice at Newmarket Friday evenings, that is until Keswick ice is available.

Arenas: Charlie Rowntree reports Woodbridge artificial ice plant should be ready first week of December. Unionville joins the list of artificial ice arenas by middle of December. The rink there is being enlarged and the ice plant is being installed at present. Hard to realize ever played hockey under the old lights here. New system makes local diggings about best lighted cushion anywhere. Rink manager Stan Smith reports a drinking fountain will be installed in the rink shortly by popular demand. Another ten days should complete the Aurora arena, reports rink manager Tom Dickson. And it's looking nice, thank you.

Hub and district gleanings: Bill "Joint" McComb, we're told, is a casualty in American Hockey League—shoulder injury—sidelined from three to six weeks. Don "Spider" Gibson, who pulled out for a whirl in the north country under the Sudbury Wolves banner, is fitting right into the fast skating northern style. Would be nice if the Wolves made the trip south in the spring as Northern Ontario Junior A representatives.

Yes sir, the Turnip King has done it again. Ross Chapman, Lake Simcoe softball prexy, won some first prizes for big ones at Royal Winter Fair. Hockey schools: Bill "Red" Mitchell has just completed a three-day hockey school at Lindsay, and C. R. "Blackie" Blackstock is making plans for a one-day school here in the near future. Special invitation being extended to all coaches of the minor hockey teams of the district. Date for same to be announced shortly.

Case it slips our minds, if Newmarket ever reaches the stage of broadcasting football games, won't have to search far for a top notch talent. Ward "Corky" Cornell, Pickering College, teacher, has handled the intercollegiate games on C.J.B.C. of a Saturday afternoon—and a right good job if we do say so.

Nothing new to report on Junior C grouping for our scrappy Hoffman "Rockets" reports manager John Hines and a similar story from Andy Closs, king-pin in Aurora's junior D entry. Earl Robertson is back as coach of Markham "Dollar Men" as you'll have noticed Thursday. Markies displayed a number of new players, and didn't dress Jack Watson or the Forgie brothers, Howard and Bruce. They'll be back to give us trouble later though, 'tis said.

Opening exercises: Hack Cain drops his junior B's over the boards in Aurora arena tomorrow, Friday evening, in opening league contest. Tuesday, Harold Rogers' Indian Braves open the Trolley League season against Charlie Rowntree's Woodbridge.

\$ Men Bring Down Spits In Heavy Penalty Play

Main interest in last Thursday's hockey shenanigans at the arena revolved around the question, "How'll the Spits stack up against Markham?"

Keswick, Sutton Enter Tri-County Rural Loop

The east shores of Lake Simcoe should be ringing this winter with hockey rivalry. Keswick, Sutton and Beaverton entries have all been accepted in the western division of the Tri-County Rural Hockey League. Woodville is the fourth club in the circuit while Cannington may complete the loop. Ken Davie is coach of the Keswick entry while Ellis Pringle holds a similar post with Sutton. The league will begin operating as soon as King Winter lays down a cold barrage.

Chain stores located in small centres help develop the community by keeping the shoppers from visiting bigger cities.

Meet The Spitfires

This is the first offering in our plan to get the fans acquainted with the new hands with the Spitfires.

First introduction is to Dennis James Labine. Denny, as his nickname runs, is a right hand

shot, 5 ft. 8" tall, weighs 160 lbs. He has had a varied hockey career. The past two terms, as the fans will recall, were with Parry Sound intermediates and gave the locals considerable trouble with his nifty shot and shifty stickhandling.

Denny started his hockey career in minor ranks in New Liskeard and Haileybury. The cold winters up north must have got him as he rolled south for a whirl with Marlboro Junior B's then enjoyed a couple of seasons in major commercial league at Varsity arena. From there, he moved north again to McIntyre Mines senior club and then to Parry Sound.

Denny is 24 years of age and has confined his ice lane duties to right wing patrol and center. At present Coach Larry Molyneux has him patrolling the right flank with "Swift" Todd at center and "Skip" Taylor on left.

SCHOOLS IN

Hockey Instruction Given At Newmarket Arena

Want to brush up on your hockey knowledge? Pick up a few hints on coaching? Well, players, coaches and fans alike, here's your chance. The hockey school that proved a popular item last fall will have a repeat performance at the Newmarket arena on Saturday, Dec. 9.

Present plan is to provide for ice demonstrations from 9.30 a.m. to 1 p.m. This division of instruction will be under the direction of Bing Caswell and Jack Life. In the afternoon, the school will continue at Pickering College from 2 to 3 p.m. with a discussion of rules, coaching, training and conditioning.

The visit of the school has been secured through the facilities of the physical education branch, Department of education, and the Newmarket "Memorial" Arena Commission.

Everyone is invited to attend. There is no admission charge. A special invitation is extended to all coaches of minor hockey teams in the district.

C. R. Blackstock, who was instrumental in securing a return visit of the school, says that letters will be forwarded to all Newmarket and district hockey coaches with the footnote to advise either himself at Pickering College, Stan. Smith, manager of Newmarket Memorial Arena or Geo. Haskett, c.o. Era and Express, Newmarket, as to whether you can attend or not. It is hoped that a large turnout can be secured.

Hoffman Rockets will play Radio Appliances of the T.E.L. league at Newmarket on Tuesday, Nov. 28, at 8.30 p.m.

Bears Vs North Toronto In Junior B Opener

The wraps come off the junior B hockey campaign Friday evening in Aurora arena when Herb Cain matches his junior "Bears" against North Toronto Lions. Aurora has drawn one of the top-notch junior B groupings in O.H.A., being grouped with Weston "Marlboros", North Toronto "Lions", St. Mike's "Buzzers", Brampton "Regents" and Unionville "Jets". Newmarket and district fans won't lack an interest in Cain's "Bears" as Bill Smith and Laurie Thoms from the Hub are centering a pair of Bear lines.

Indians Have Busy Week League Opens Tuesday

Coch Harvey Gibeby of the Aurora "Indians" is preparing for next Tuesday's Trolley League opener against Woodbridge in Aurora. Monday evening, the Indians downed Woodbridge 6-1 in an abbreviated exhibition contest. Ron Simmons paced the Aurora attack with a pair of markers. Tommy Brodie, Jack Runney, Bill Mundell and Ken Broughton had singletons.

Tonight the Indians are at home to the strong Varsity "Blues" intercollegiate squad. Saturday night, they play the Muskoka town "Bears" at Bracebridge.

Fred Speer's well drilled squad went through the season without a loss, defeating Aurora in the league finals by a 15-point margin. The four-team league of Sutton, Beaverton, Aurora and Newmarket operated for the first time this year.

Back row: left to right, Principal J. W. Lockhart, Paul Morton, Reg Shaw, Allistair Sinclair, Allen Jackson, Howard Ash, Jerry Hugo, Ken Boylen, Ted Anderson, Doug Smith, Ray Ingram, Gord Lister, Fred Speer, coach.

'BERG BREAKS NOBLETON WIN STREAK 5-0

With Schomberg's regular goal, Jess Kirtin, absent, Bill Bredon, who used to play ten years ago, stepped into breach and earned himself a shut-out in last Friday's King-Vaughan Hockey League doubleheader at Nobleton. Schomberg knocked Nobleton off its unbeaten track 4-0.

Henry Hollingshead snapped in a pair, one coming in third with his side two men short. Howard Archibald and Murray Edwards completed the Schomberg scoring. Bergers' defense trio of Lorne Harvey, Pike Cabill and Doug Palmer came up with a pleasing blue line display for the Moody-Hastings crew.

In the nightcap, Bill Muirhead's Kettleby clan tied 5-5 with Kleinburg. Ken Ham, Bill Attridge and Doug Terry shared the scoring spotlight for Kettleby.

This Friday Kettleby meets Schomberg and Kleinburg and Nobleton complete the doubleheader.

LEAGUE STANDING				
	W	L	T	Pts.
Schomberg	2	1	0	4
Nobleton	2	1	0	4
Kleinburg	1	1	1	3
Kettleby	0	2	1	1

Hoffman Rockets Take Andy Closs' Aurorans 5-2

In contrast to the recent heavy bumping, high sticking when Newmarket Junior C's piled into Aurora B's in a pair of exhibition set-tos was the Monday night exhibition game between Newmarket C's and Aurora junior D played.

Both teams played hard, clean and fast hockey. Only two penalties were called, one each. Newmarket scored a 5-2 victory. Murray McDonald, Archie Forfar, Keith Collings, "Pepper" Martin and Dave Couch were the markers for the Hoffman "Rockets". Bobbs Cook and Cliff Wansborough accounted for the markers for Andy Closs' Aurorans.

On the alleys

Town league standing is Metal Workers 22, Combines 21, Legion 18, Hiseys 17, Office Specialty 16, Meteors 15, Clover Kickers 15, Insley's 12, Denne's 12, Turkey Catchers ten, Newmarket Dairy and Dixon share the cellar with five each. Doug Mount was top man in last week's session with a 767 (263-215-289). Barnie Stuffs beat 700 with a 706 (252-212-242). Other fine scores were posted by Roy Gibson 692, Eddie Gibson 683, Milt Wesley 679, Bill Newton 677, Hank Vandenberg 676, Roy Keffler 675, Ernie Dewsbury 673, Orval Hisey 673, and Jack Caradonna 667. Combines and Legion clicked for 4-0 wins over Newmarket Dairy and Denne's. Office Specialty, Metal Workers, Clover Kickers and Hisey's earned three points each. The Legion six were the hot shot rollers, climbing on the band wagon with 3,417 total and all but Capt. Roy Stickwood busting into the 600 circle.

Vorclone is on the march in the Hoffman circuit downing Sheet Metal last week 5-2 to gain a tie for second place. Office downed Press Shop 5-2 in other match. League standing is Press Shop 33, Vorclone and Sheet Metal 29 each, Office 26, Machine Shop 23. Clay Reid pumped a way for a 706 (224-236-246) to catch the Friday show. Mel MacKay 680, Alan Daniels 630 and "Sam" Bryner 611 followed in that order in the individual marks.

Tunney's crew is breaking away from the pack in the Tannery circuit, now has a 49 total, second is Townsley with 42. Allen has 35 and Cullen 28. Len Burling captured top honors last week with a 678 (224-239-215). Other top notch marks were posted by Art Flanagan 673, Ken Bennington 672, Bill Cullen 635, Jim Cullen 630 and Geo. Ingledew 606. Tunney went whole hog for a seven-point snafu from Townsley while Allen scored 5-2 win over Cullen.

Myrtle Dunn's 641 (175-208-258) topped the show with the Thursday night ladies. Betty VanZant with 593 (265-151-177) earned the runner-up position. Hazel Bennett 526 and Norma Peel 513 were next in order.

Lloyd McQuaid's "Hurons" and Doug Campbell's "Excelsiors" are

What's in a name? Tail-enders are just that in the V.L.A. bowling circuit with ten points. Leaders are Ran-Ofs, 20, second Rocksters 19. Neil Macdonald and Tom Sadeski are tied for high average honors with 195 each. Tom Sadeski holds the late. Jimmy Rock is runner-up in both events with 210 and 353 respectively. With the ladies, Lil Tank has an average of 143 to eat, Barbara Thompson second with 129. Barbara Thompson's 57 single and Marion McKerring's 10 double are tops over the season to date.

(Last week's scoring)

Ned Tansley headed the list of scorers in the Davis Leather League with a 668 (196-252-220). Frank Bothwell made it interesting with a 660 followed by Harry Thoms 640 and Bill Townsley 645. Townsley picked up seven points from Allen. Tunney recorded 5-2 win over Cullen. It's a dead-heat for top slot with Tunney and Townsley each with 42, second Allen with 30 and cellar-dwellers Cullen's with 26.

The game gets underway at 8.30 and while an exhibition till, both teams will be out to take their first start of the year. Varsity finished second in the college loop last season, and one or two former St. Andrew's players are on their roster. Coach Gibeby and manager Hal Rogers will unveil Bill Mulholland in the nets. Vic. Meharg, Loring Doolittle, Billy McGhee, Dave Hopper, Mike Brinkos and Ray "Ozark Ike" Fox at the blue line, and up front, Ron. Simmons, Bill Mundell, Tom Brodie, Jimmy O'Hearn, Harry Morrison, Keith Wardell, Jack Runney, Murray Brandon, and Norm Nigh.

Should be quite a battle, with the odds of course on the Toronto team. Surprisingly enough, Billy Attridge, who was expected to clinch a place on the team, has decided to play rural hockey and he's presently performing with Kettleby in the Nobleton league.

Friday night, "D" day arrives for Herb Cain and company with the opposition. The Aurora juniors bested Unionville 10-5 in an exhibition game last Friday in Stouffville and elsewhere you'll see an account of how the team fared against Barrie Bees, the 1950 junior "B" champions. The purple and gold Toronto club will have an edge in pre-

FOUR TEAMS IN TROLLEY LOOP SIX POSSIBLE

The Trolley League executive is working on a six-team grouping. Four teams are definite, Aurora, Woodbridge, Dawes-Danforth Combines, and Navy club. Dawes-Danforth is an offshoot of former Corner Boys-Scarboro Rangers junior B team and has located home ice at Unionville.

Navy club is trying to line up home ice at Newmarket until Keswick natural ice is available. N. Malcolm, representing Alliston at the Sunday meeting of the Trolley League at Gray Stones, Aurora, says his club is anxious to enter if a home night can be secured. Brooklin, mentioned as the sixth club, is definitely interested in going O.H.A. this winter, although no final word has come through to O.H.A. group convenor Geo. Haskett.

The O.H.A. first proposed a six-team grouping of Woodbridge, Aurora, Alliston, Brooklin Sutton and Bradford. Latter two chose instead a rural hockey affiliation.

Aurora "Indians", Alliston and Brooklin are rated as intermediate B with Woodbridge, Dawes-Danforth and Navy drawing a senior B rating. League plans to open its schedule November 28 with Woodbridge visiting Aurora for the home opener of Rogers "Indians". League executive plans to meet November 29 in Aurora to complete the schedule.

Have a new listing with us this week. The Bowlaway ladies' league operating at North End Alleys Wednesday afternoon. The league completed its second week of action with Margaret Davis showing the way to her fellow bowlers with a 562. Edna McGrath with 550 and Margaret Osborne 511 were next in line.

DOWN THE CENTRE BY AB HULSE

Busy Weekend For Aurora Fans

At long last, Mr. and Mrs. John Q. Phan, will get a glimpse of both Aurora Indians and Aurora Juniors in action. Tonight, through the efforts of club executives Bill Stollery (ex-Varsity netminder of the 20's), and Gordy Hoffman, public relations director for the tribe, Warren Stevens will bring his famed Varsity Blues of the intercollegiate senior circuit to play Aurora intermediates.

The game gets underway at 8.30 and while an exhibition till, both teams will be out to take their first start of the year. Varsity finished second in the college loop last season, and one or two former St. Andrew's players are on their roster. Coach Gibeby and manager Hal Rogers will unveil Bill Mulholland in the nets. Vic. Meharg, Loring Doolittle, Billy McGhee, Dave Hopper, Mike Brinkos and Ray "Ozark Ike" Fox at the blue line, and up front, Ron. Simmons, Bill Mundell, Tom Brodie, Jimmy O'Hearn, Harry Morrison, Keith Wardell, Jack Runney, Murray Brandon, and Norm Nigh.

Should be quite a battle, with the odds of course on the Toronto team. Surprisingly enough, Billy Attridge, who was expected to clinch a place on the team, has decided to play rural hockey and he's presently performing with Kettleby in the Nobleton league.

Friday night, "D" day arrives for Herb Cain and company with the opposition. The Aurora juniors bested Unionville 10-5 in an exhibition game last Friday in Stouffville and elsewhere you'll see an account of how the team fared against Barrie Bees, the 1950 junior "B" champions. Millionaires Again 9-4 Spits Hit By Injuries

Spits Meet Gravenhurst In Newmarket Tonight

Coach Larry Molyneux and manager Father T. J. McCabe will send their injury riddled Spittfires against Gravenhurst "Indians" tonight at the arena in an exhibition contest. This possibly may complete the exhibition series as a group convenor's meeting is expected at an early date to draw up the regular schedule.

The Spittfires moved into Bracebridge last Saturday for a return tilt with the Bears, and sparked by Denney Labine's three-goal attack, earned a 6-5 win. Bill Mabett, "Swiftly" Todd and Stan Gibbons completed the Newmarket scoring.

York County Junior Wins Stonehouse Trophy

A team of three young men represented York county in the annual inter-county judging competition at the Royal Winter Fair and made a creditable showing, placing 17th in the large competition. Best individual showing was by Norman Tyndall, Richmond Hill, who won the coveted Stonehouse Trophy for the highest score in dairy cattle with 190 points out of a possible 200 points. Other members of the team were Archie Cameron, Jr., Woodbridge, and Ed McGriskin, Agincourt. The coach was assistant agricultural representative Jim McCullough, Newmarket.

The boys who were the team have all been quite active in club work and were chosen on the basis of their work in the annual county judging competitions during the past five years. During the training period they visited 20 farms in Simcoe, Ontario and York as well as spending a day and a half at the Ontario Agricultural College in Guelph.

Tasty Venison Escapes Newmarket Robin Hoods

The three travelling bow and arrow men from the Newmarket Archery club, Harry Markham, Bob Chadwick and Orla Larsen, have returned after a week deer hunting in the Lemon Lake district near the French River. The trio report no luck on their expedition though all sighted the intended victims from afar but couldn't get within range.

One archer in their party from the north country brought down a prize. "It was a fine week in the woods and we'll be back to try again next season" the trio reports.

The Newmarket Archery club expects to start indoor shooting contests in the next couple of weeks. You can contact either Harry Markham or club president Bob Chadwick for particulars.

JUVENILE HOCKEY

All players interested in playing juvenile hockey in Newmarket are asked to report to the arena Friday evening, Nov. 24. The first practice of the season will be held from 6 to 7 p.m.

Markham "Millionaires" and Spittfires decided to play hockey according to the book in the return engagement at the arena Tuesday. In the first game 23 penalties were handed out. Only three were tabbed Tuesday as the teams provided some keen, clean, fast action.

Only trouble was the result was the same. Markham scored an identical 9-4 victory. For two periods the Spits were every bit as good as the visitors. In fact, on the all important score-sheet, they were one better at 4-3. Then the roof caved in in the final 20 minutes, Markham firing six goals without a reply from the home forces.

Joe Wolf, right winger from the marsh district, headed the Newmarket scoring with two, Stan. Gibbons and Ken. Thoms earning assists. "Pink" Tunstead let fire a screened back-hander for number three. "Skip" Taylor completed the Spits scoring with Don. Smith being the helper.

Jack Watson beat Joe Tunney on three occasions and Ken Brennan twice to speed the dollar men to victory.

Don Smith, in the last minute of play, fractured his left wrist in a collision with a Markham defenseman. Club officials reported Wednesday morning that it was a severe break and would keep the popular right-winger out of action for approximately eight weeks. This latest setback follows Bill Johnston's wrist injury in the opening game of the season. The third member of the high, scoring line Normie Legge, sat out Tuesday's game with an ear injury suffered last Thursday.

Coach Larry Molyneux found he had an injury ridden team on his hands Tuesday with "Swiftly" Todd out with eye trouble, Fred Dillman an eight-stitch cut over his eye, and Harry Caradonna sidelined as a result of injuries received in a car accident.

Orchard, Mount Ready For Simcoe Ice Loop

"Haven't heard a thing on the hockey situation," reports Ab. Boak, manager of last year's Pine Orchard team in the Lake Simcoe Hockey League. "We'll be back in again though when things start cracking."

Horace Berwick gives out in similar vein for Mount Albert. Last year's Lake Simcoe League had five teams, Vandonr, Pine Orchard, Mount Albert, Queensville and Keswick. Keswick will be lost to the league as their entry has been accepted in the Tri-County Rural circuit. At last report, President Longford Pegg of the Simcoe League planned an organization meeting in the near future.

MAKE FOURTH TEAM

Aurora Town League has its fourth team, reports Cliff Chapman. It's Whitechurch junior farmers. Other teams in the circuit are "Ditchdiggers", "Merchants" and Collis Leather. The league plans to meet this week to draw up a schedule and elect officers. Present plans are to have the schedule open this Friday evening.

13 Assessment Appeals Whitchurch Sustains 12

A total of 13 appeals against the 1951 assessment roll were heard in Whitchurch twp. at the annual Court of Revision. Of the 13 appeals total reduction amounted to \$500.

A. H. Kirby, lots 4 and 5 on the west side of the township, appealed against a total assessment on land and building of \$25,000. Mr. Kirby has some 68 small cottages in addition to a booth, farm house and club house.

"You're only assessed about \$175 each for the cottages," Assessor Fred Cummings told Mr. Kirby.

"We're not complaining so much about the buildings, as on the land; there's too much of a spread between the assessment on lots 4 and 5," said Mr. Kirby.

It was revealed that over \$2,000 in rent was realized from the land in the case.

After some discussion, court reduced the land assessment by \$600.

L. Playter, Toronto, appealed \$400 assessment on 50 acres, west half of the east half of lot 23, con. 5. Court sustained assessment.

Mrs. E. Weller, Toronto, appealed assessment of \$500 on land and buildings, lots 14 and 13, plan 282; R. Townsend, Wilcox subdivision, claimed his lots were under water all the year round and the bridge was out. His assessment was \$300 on buildings. Both these assessments were sustained.

A. Stephen, Wilcox Lake, appealed his levy but the assessor's figure was sustained. It was revealed that Mr. Stephens was paying \$30 in taxes, while \$400 in revenue was being derived from his property.

B. Garrett, Musselman's Lake, appealed against his \$400 assessment. Taxes on the place are \$16.54. Council sustained the assessment.

Mrs. W. J. Hill, lot 12, east of the 7th on the north townline, appealed against a \$200 assessment on ten acres, sustained.

D. Dearnley, Wilcox Lake, appealed his \$550 assessment carrying taxes of \$35. He claimed it

was only a short time ago the taxes were only \$18 and nothing had been done to justify the increase. Council sustained the assessment.

W. Devitt, Ringwood, appealed an assessment of \$500 on a house just north of the corners. The assessor stated that Mr. Devitt had recently erected a new garage on the place, while in addition his assessment was only high enough to cover a summer cottage. Council sustained the figure.

John Coling's assessment at lot 26, Wilcox Lake, was sustained, as was that of Jacob Vanek, another lake resident. Mr. Vanek's assessment was \$3,600 and the assessor stated that an increase of \$500 had recently been placed on his buildings. It was stated that Mr. Vanek derived \$12,000 in rentals from his several houses.

An appeal by Mrs. E. Walker on a \$500 assessment was not altered by council.

F. L. Ray, lot 61 in the first concession, appealed an assessment of \$750 on 22 acres of land and \$150 on his dwelling which was an abandoned street-car. The latter assessment he claimed was more than 100 percent of the purchase price.

Mr. Ray's property was desirably situated, the assessor declared, and some lots in that area were selling as high as \$1,500 and \$2,000. The assessment was sustained.

Miss L. E. Parker, lot 2, Wilcox Lake, appealed an assessment of \$200 which she claimed she did not own. This case will be investigated by the assessor.

Police Spot Suspect By Red Hunting Shirt

North Gwillimbury police arrested a suspect within hours after the River Edge Snack Bar at Keswick was broken into on Saturday night and a quantity of fishing tackle, money, a red hunting shirt and a razor were reported stolen.

Early Sunday morning, Constables William Hill and Garnet Thompson spotted a motorcyclist wearing a red shirt while driving along the Newmarket-Sutton highway. Searching the saddlebags, the officers found fishing tackle and arrested the suspect. Police refused to give his name. The money has not been recovered. It is believed an accomplice is involved.

Police report the snack bar was entered by smashing a rear window. The owners, Mr. and Mrs. Frank Kennington, said the undetermined amount of money taken was receipts from weekend sales. They were out playing bridge when the robbery occurred.

SNOWBALL.

Mr. and Mrs. Wm. Davidson spent Friday in Toronto, guests of Mr. and Mrs. Lee.

Congratulations to Miss Lois Blum who won the children's turn-out class Saturday at the Royal Winter fair. Lois was driving Sonny Boy.

Miss Sheila Davidson spent the weekend visiting Miss Lorraine O'Donnell of Toronto.

Sorry to report that Mr. Fennal Rothwell is very ill in York County hospital, Newmarket.

Mr. and Mrs. Robert Ward, Toronto, spent the weekend with Mrs. Ward's mother, Mrs. Fennal Rothwell.

Miss Lorna Willson spent the weekend visiting her friend, Miss

SALVAGE COLLECTION

The Newmarket Boy Scouts will collect for the paper salvage on Saturday, Nov. 25. Please help the Scouts by having the papers bundled and placed on the sidewalk.

Joan McEwan of Holt.

Engineers call it torque - truckers call it "pull"!

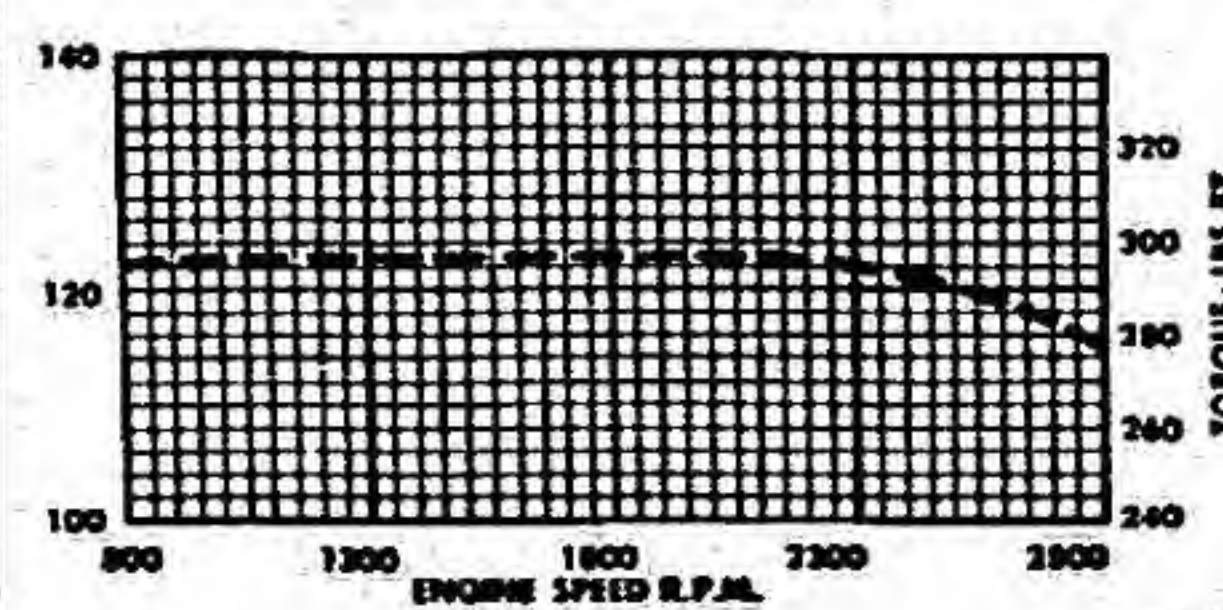

CALL it torque, or call it "pull." What we mean is **POWER** to turn wheels—to keep trucks rolling and loads moving on schedule.

You get highest sustained torque—at normal operating speeds—in a GMC valve-in-head engine. Every part of a GMC is **truck-built**, designed for long life

in trucking service under full loads.

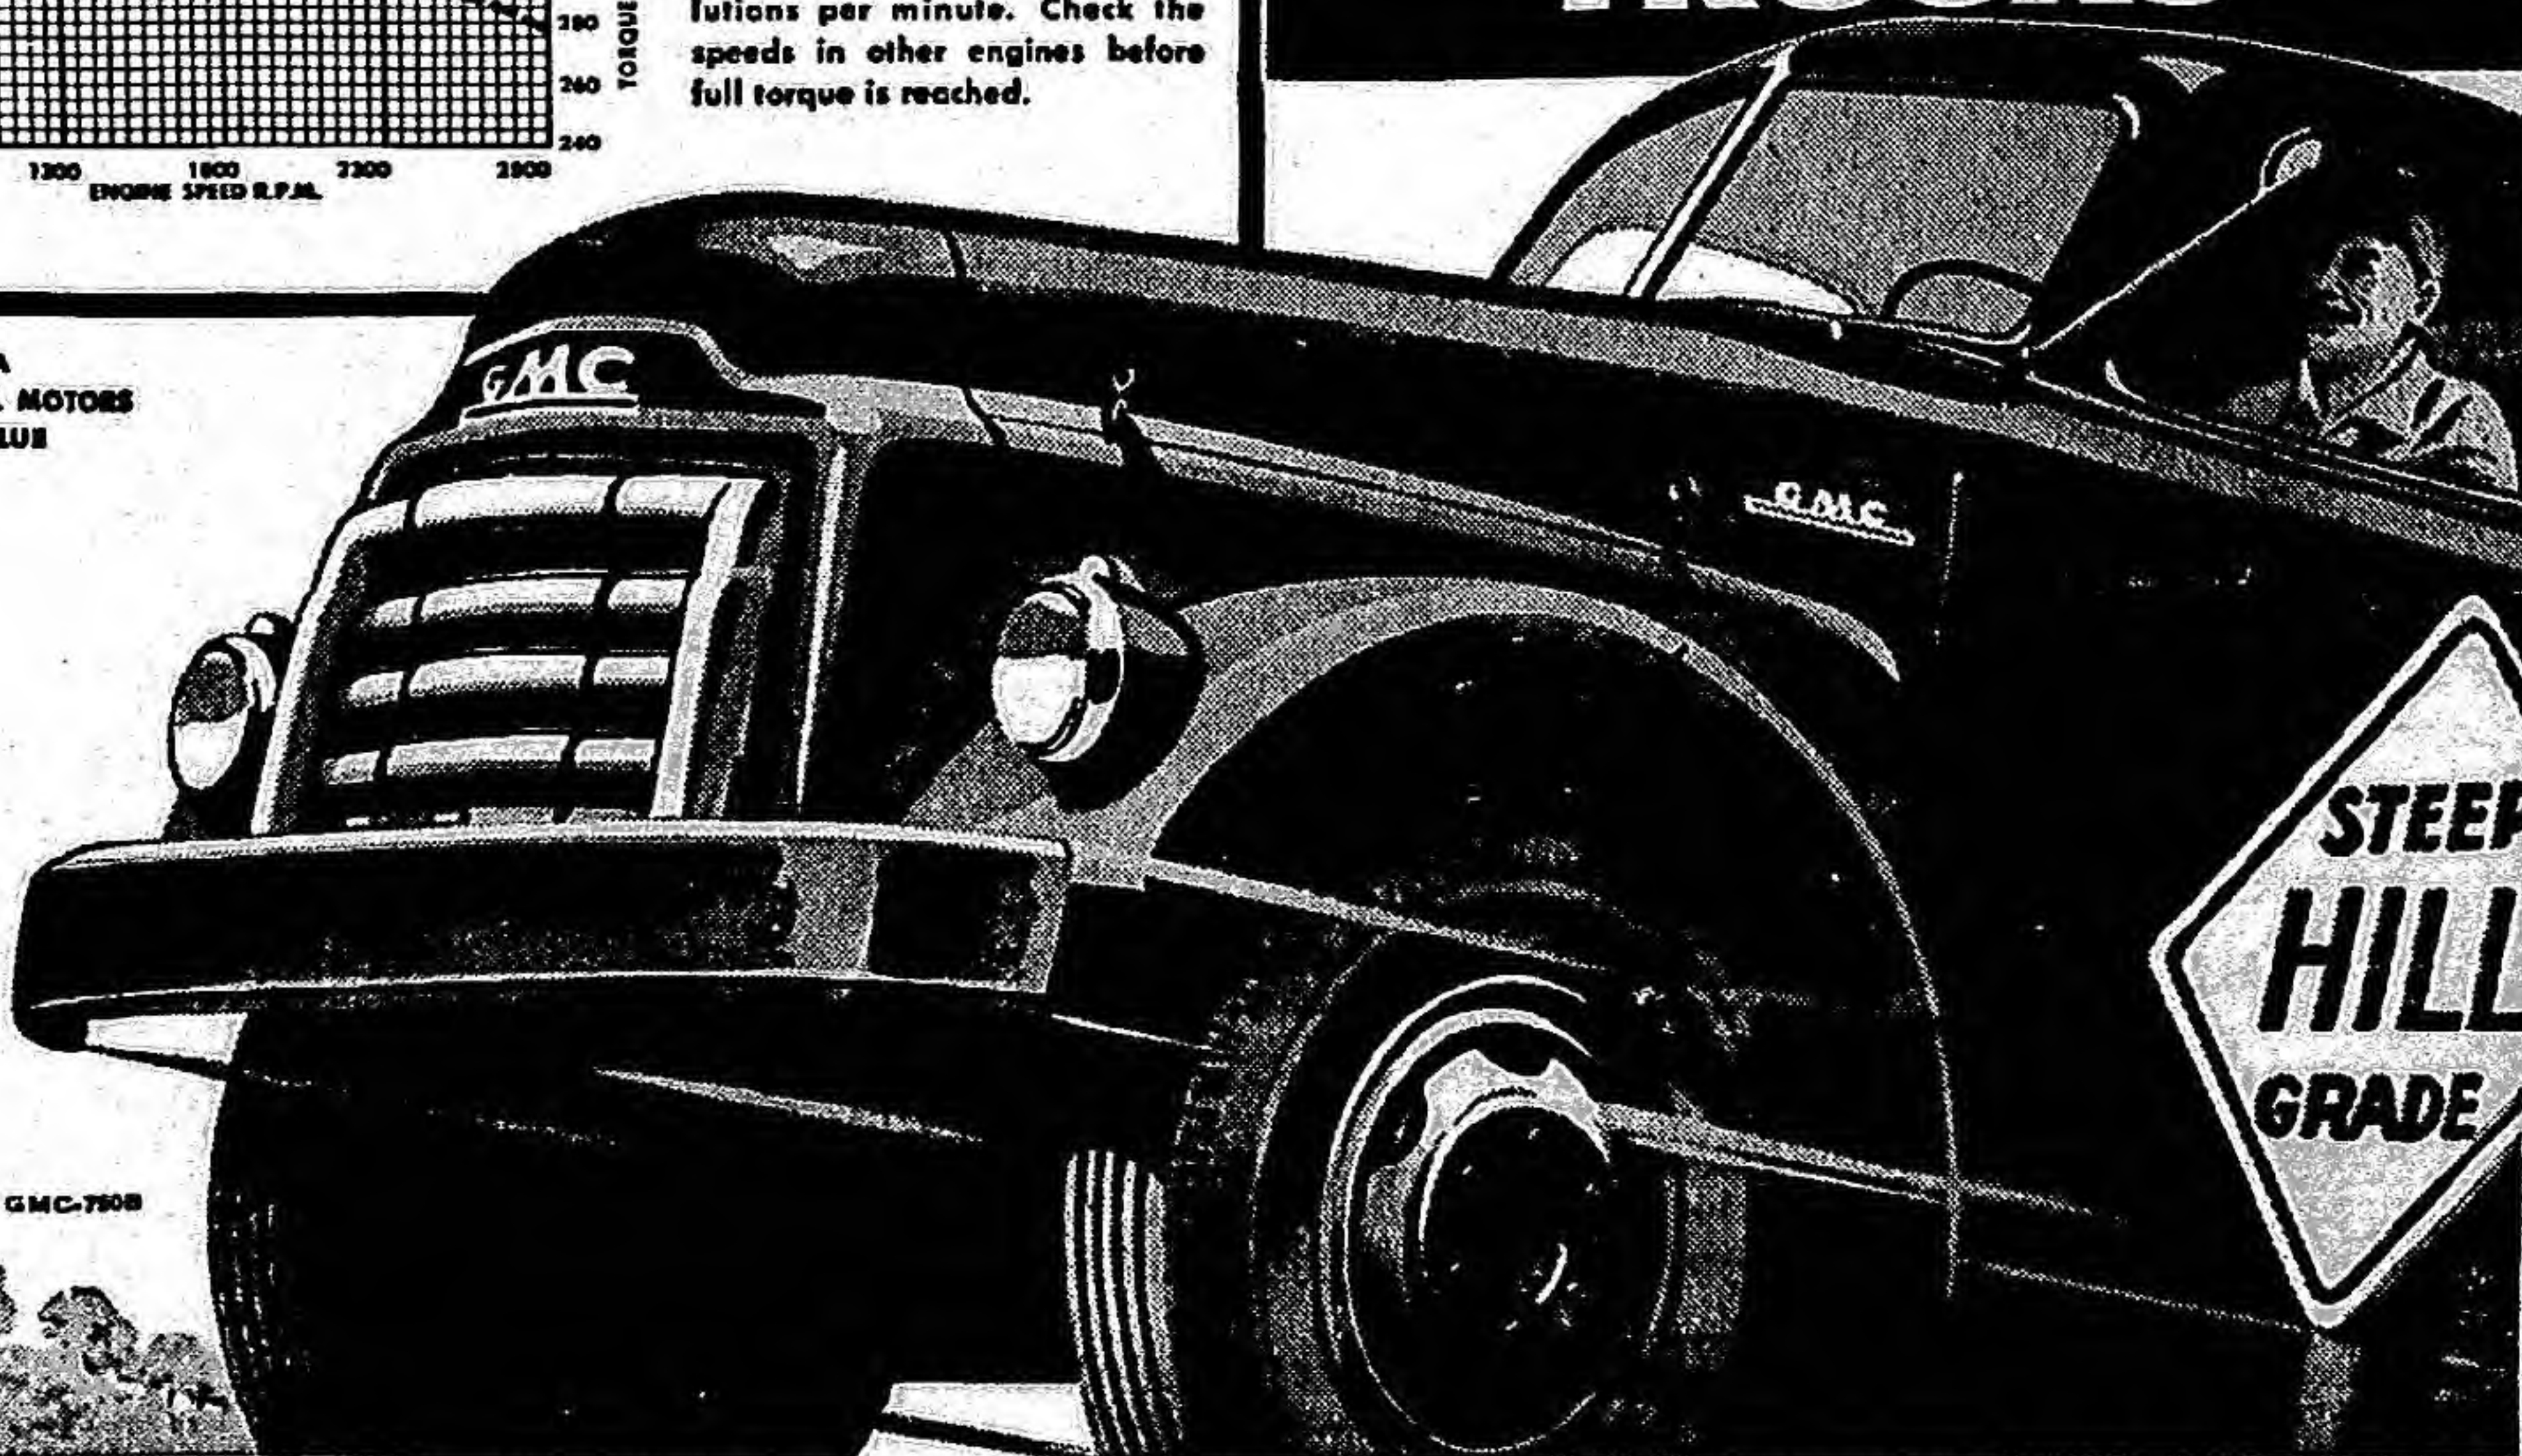

High torque is just one GMC feature. You'll find GMC's packed with added quality—extra-value in every part of the truck. That is the reason GMC's give the **lowest-cost transportation** you can buy. Come in and let us prove that!

and here's where you get the most...
More "Pull" at Lower Speeds

This chart shows how GMC engines develop maximum torque at speeds as low as 800 revolutions per minute. Check the speeds in other engines before full torque is reached.

Send your order to The Newmarket Era and Express, Pattern Dept., Newmarket, Ontario.

YOUNG HOPEFULS BY DOROTHY MUIR BOWMAN

Once Burned Twice Cautious Applies To Traffic Hazards

Sally, a five-year-old kindergarten pupil, was almost the victim of a serious accident. It is causing her mother deep concern.

When Sally first started to kindergarten, her mother accompanied her there and back, trying to teach her to be cautious when crossing streets. After two weeks of this careful vigilance, it was thought that Sally was capable of travelling alone like the other little ones were doing.

Scarcely a week of Sally's independent travelling had passed when she darted from the sidewalk and ran into the side of a moving truck. Fortunately, the truck wasn't travelling very fast and the child wasn't injured badly, but it was a narrow escape.

As a result of this, Sally's mother is deeply concerned over her child's safety in crossing streets to and from kindergarten. The news of the near catastrophe came as a shock and thoughts of "what might have been" have been unnering the parent ever since.

Sally's mother can't rest when Sally is out of her sight these days. Nevertheless, there is

really nothing to worry about since the child's experience has made an indelible impression on her that insures her safety as regards future street crossing.

Sally is very much aware now of the need to stop, look and listen before crossing streets. She even takes unnecessary precautions. She has definitely been impressed with the dangers of traffic as a result of her first hand experience. She is now aware and ready to assume the responsibility for crossing streets alone.

Sally's mother should relax in the knowledge that Sally has learned a valuable lesson and is profiting by it. To watch for her at street corners as her mother is wont to do will only serve to weaken Sally's already established sense of responsibility.

PLANS TO SPEND WINTER IN ARIZONA

Mrs. Elizabeth Allam who leaves for Phoenix, Arizona, the end of November was the guest of honor at a farewell party November 8. Held at the home of Mrs. Charles Simmons, Hamilton St., with Mrs. Jack LeGood as the assistant hostess, a very

pleasant afternoon was spent. There were about 16 present.

Mrs. Allam will spend six months in Phoenix with her son and daughter-in-law, Mr. and Mrs. Ernest Allam and family. Prior to the serving of dainty refreshments by the hostesses, the honoree was presented with an attractive lapel pin and a fountain pen.

THE HOMEMAKERS

Cheese In The Main Dish

Cheese is often called "A Food of Quality". Few foods can be used in such a variety of ways as cheese in the luncheon, supper or dinner menu. Because of its high protein content, cheese is in the same class of food as meat, fish, poultry and eggs and, since it is usual to depend upon the main course to supply the protein for the meal the principal use of cheese should be in this role.

However, in meals which would otherwise be somewhat lacking in protein, cheese may be served in the salad, dessert or even soup course to make up the deficiency.

"Cheddar" is the principal type of cheese made in Canada. It is commonly called Canadian cheese and is sold according to age as new (mild), medium or old (nippy). The age of the cheese affects both flavor and price but not its food value.

To counterbalance the concentrated nature of cheese, it should be combined in the meal with bulky foods such as fruits and green leafy vegetables. Since it is rich in fat, cheese should be served with starchy foods such as bread, cereals and potatoes which aid in the digestion of the fat. Because of the high percentage of fat, cheese is slowly digested which may account for the erroneous belief that it is indigestible.

When making cheese sauce, add the cheese at the last and cook only until melted. Any uncooked mixture of cheese, eggs and milk to be cooked in the oven should be oven-poached in a moderate oven. "Oven-poach until set" means to place the cheese dish in a pan of hot water and bake in a moderate oven (350°) until a knife, inserted in the centre, comes out clean.

Scalloped or other cheese dishes made with cooked foods should be baked in a moderate oven (350°) or moderately hot oven (375°) for only sufficient time to thoroughly heat the mixture.

CHEESE SCALLOP

4 tbsp. fat
4 tbsp. flour
Salt and pepper
2 cups milk
1 cup grated cheese
4 cups cooked spaghetti or macaroni

OR 4 hard-cooked eggs and 2 cups spaghetti, potatoes, celery, corn or peas
OR 4 cups cooked vegetables
OR 2 cups spaghetti and 2 cups celery, corn, cabbage or peas
Bread crumbs

Make a cream sauce of fat, flour, seasonings and milk. When cooked, add grated cheese. Place alternate layers of spaghetti etc. and cheese sauce in a greased baking dish. Cover with crumbs and bake in a moderately hot oven, 375°, until thoroughly heated, about 30 minutes. Yield: six servings.

ONION - CHEESE PIE
1/2 cup melted shortening (part butter)
1 1/4 cups fine unsalted cracker crumbs
2 1/4 cups thinly sliced onions
2 tbsp. butter
1 1/2 cups milk
3 eggs
1 tsp. salt
1/4 tsp. pepper
3 cups grated medium Cheddar cheese

Mix melted shortening with cracker crumbs and press into a greased deep 9-inch pie plate. Fry onions in butter until tender, then place on crumb crust. Scald milk and slowly add to the slightly beaten eggs, stirring constantly. Add salt, pepper and grated cheese. Mix well and pour over onions. Bake in a moderately slow oven, 325°, until a silver knife inserted in the centre comes out clean, about 40 to 45 minutes. Yield: six servings.

Needlecraft News

by Pauline Roy

BACK through the centuries to the prehistoric times wool has proved itself the most durable, practical and attractive of fabrics. So much so that man has never been able to invent a satisfactory substitute for it.

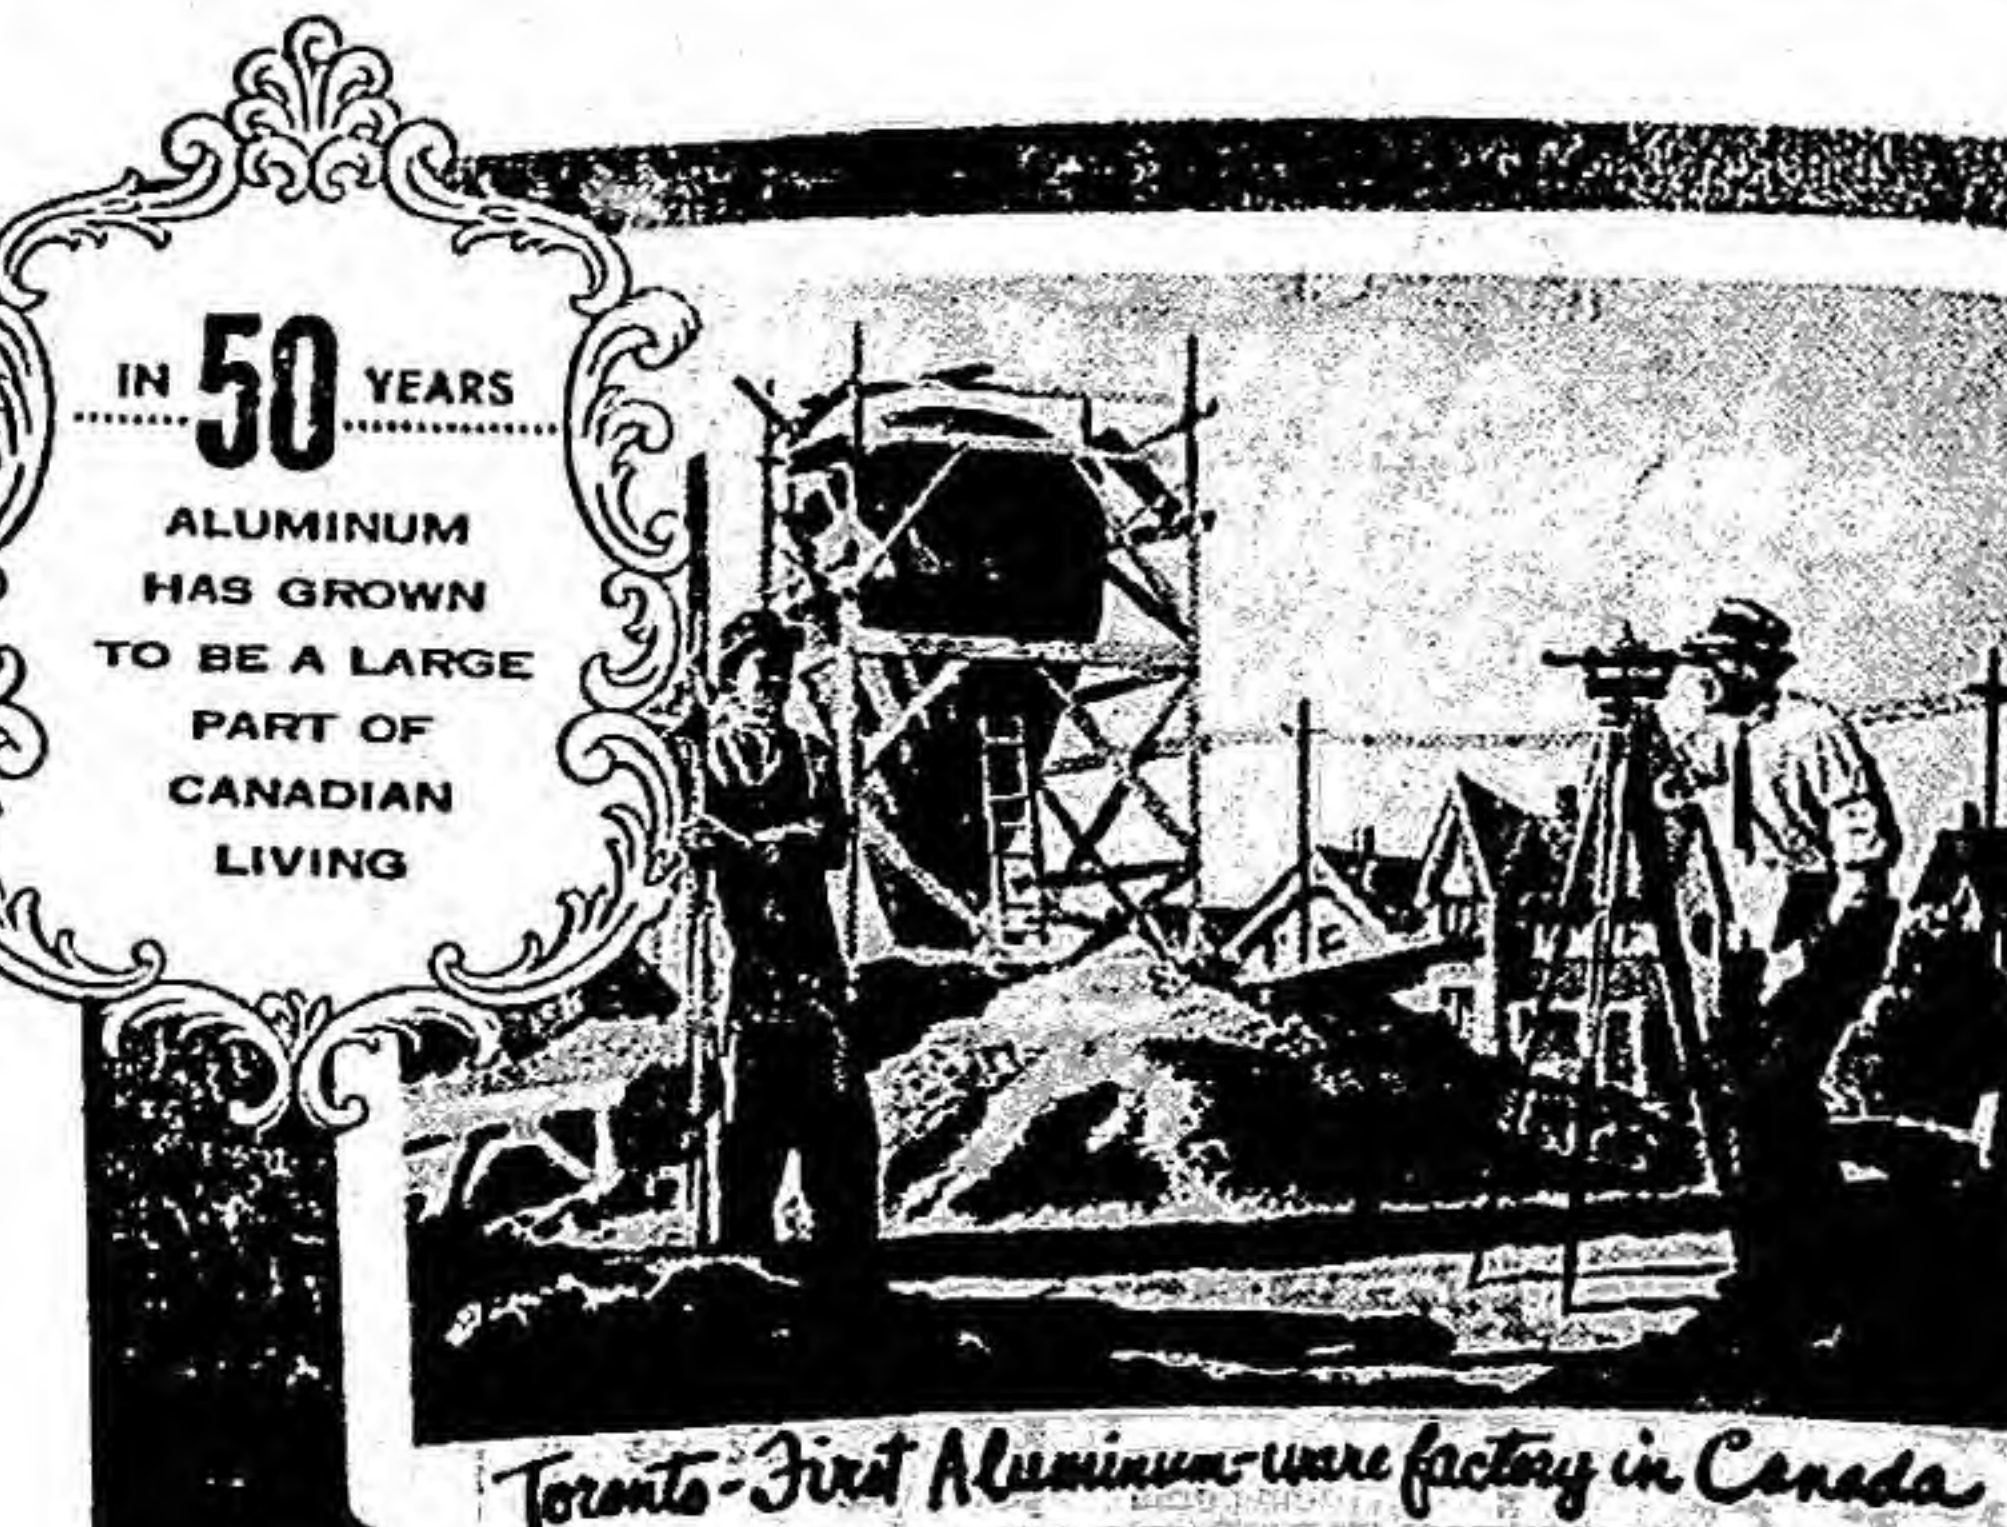

Wool has been one of man's warmest friends due to its unique qualities. Wool fibres, composed of layers of interlocking cells, are highly resilient (can be stretched as much as thirty per cent and spring back to original size) as well as highly absorbent (wool can absorb up to fifty per cent of moisture without getting damp.) Wool is, in fact, one of nature's great insulators, keeping body heat in and cold out. The Arab, who wears these voluminous wool turbans to protect their heads from the desert sun, have also discovered that wool keeps heat out. Ideal from the point of view of health and comfort, wool is also exceptionally sturdy. As for beauty, wool is unrivalled in loveliness of texture and color.

Knitting is fun. Aside from the pleasure of making something lovely — to say nothing of its financial saving grace! — knitting has a relaxing and quieting effect. Its importance in this connection has long been recognized, and it is now widely used for its therapeutic value in many institutions. Today knitting enjoys what is probably the greatest vogue of its long and honorable history.

If you have youngsters in your family who are at that active, fun-loving age, then knitting can solve many wardrobe difficulties. School children need clothing that is warm, practical and attractive. Hooded knits, sweaters, scarves or hats, meet these requirements. You can buy the yarn for all these articles of clothing and make them up very inexpensively. One word of caution though: be sure you buy medium wool at one time to complete the garment you are making. For the color may vary in different dye lots.

Soon, now, the winter winds will start and temperatures will proceed to slide down the thermometer and for this season you'll want to have plenty of warm wear for the youngsters in your family. No matter what the weather is like kiddies like to be outdoors as much as possible. Even in the coldest of winter weather you'll find them out revelling in the snow... tobogganing, sliding or skiing, or simply out at every opportunity to the local ice rink... the girls practicing figure skates, and the boys trying out for the hockey team. It seems, though, that no matter how carefully you bundle up the youngsters these nippy old cold germs seem to catch up with them sometimes during the winter months. So if your little girl is confined to bed for a few days make sure she's comfy and warm by knitting her a cozy, lightweight hooded knit. The Needlecraft Dept. of this paper will send you an instruction leaflet for making it if you will write, enclosing a stamped, self-addressed envelope, and ask for LITTLE GIRL'S HOODJACKET, Leaflet No. CW-4.

IN 50 YEARS
ALUMINUM
HAS GROWN
TO BE A LARGE
PART OF
CANADIAN
LIVING

Building the home for Near-Ever

1950 is the fiftieth anniversary of the Near-Ever line in Canada.

These aluminum cooking utensils were introduced here at the beginning of the century. Their popularity grew so rapidly that, by 1912, a new factory was needed to supply the demand. This was built in Toronto. It was the first plant in Canada to make aluminum articles — and this was only a dozen years after the first Canadian smelter had started making aluminum ingots at Shawinigan Falls.

Today Alcan has twelve plants, all of them engaged in the aluminum industry, while more than 1000 independent companies across Canada shape the metal into all sorts of useful forms — from kettles to freight cars.

ALUMINUM COMPANY OF CANADA, LTD.

Producers and Processors of Aluminum for Canadian Industry and World Markets

What's it really worth?

The smile of a child who knows you haven't forgotten...
The rush of footsteps answering a frantic call...
The daily ordering of food for the family meal...
The friendly chat, the urgent reminder, the important business decision...
IT'S HARD TO MEASURE THE TRUE VALUE OF ALL THE THINGS YOUR TELEPHONE DOES FOR YOU.

Yet telephone service is one of the smallest items in your family budget. And at the same time your telephone brings twice as many telephone users within your reach as it did ten years ago. Today, as always, your telephone is big value.

THE BELL TELEPHONE COMPANY OF CANADA

IF YOU ARE WAITING FOR A MESSAGE, or for a higher quality of service, you have one more thing to remember: the Bell Telephone Company of Canada is always ready to provide the necessary service to all who want it, when and where they want it.

Proposed export of Alberta's excess natural gas will mean additional heavy royalties for the province if it can be shipped cheaply enough to compete with other fuels in the big markets of the Northwest U.S.

King City And District

Mr. and Mrs. Bruce Hall visited friends at Hamilton early this week.
Mr. Willard Arbuckle with his wife and two children of Toronto are occupying the Winter house. A carpenter by trade and a native of the Maritimes, Mr. Arbuckle is employed in Toronto. He is a nephew of Mr. Robert Arbuckle, Laskay merchant.
Guests of Mrs. T. L. Williams during last week were Mrs. A. S. Curr, Toronto, Mrs. Joseph Patton, an aunt of Schomberg, Mrs. Jay Patton and her mother, Mrs. Kent, Woodbridge, and Mrs. Williams' brother, Mr. Duncan Sinclair, and his wife of Lindsay.
Present at a bazaar given by the Queen City Chapter of the Eastern Star Order, held in Toronto on November 18, were local members, Mrs. A. J. Gordon, Mrs. Ivan Specht, Mrs. Ross Walker and Mrs. T. L. Williams.
Mr. and Mrs. Donald McMurchy, Hillsburg, visited parents, Mr. and Mrs. Harvey Follitt, on Sunday.

Shower for Bride Elect
Miss Doreen Noble was honored with a shower and presentations at a gathering of 25 held in the basement of King United church on November 17. The prospective bride, who will be married this coming Saturday, was given many lovely gifts.
Mrs. Ewart Patton and Mrs. Bruce Hall received the guests and Miss Gerry McDonald, who played the "wedding march" as Doreen entered the festively trimmed room, assisted her to untie the gifts. Refreshments were served by several who had assisted with arrangements of the shower.

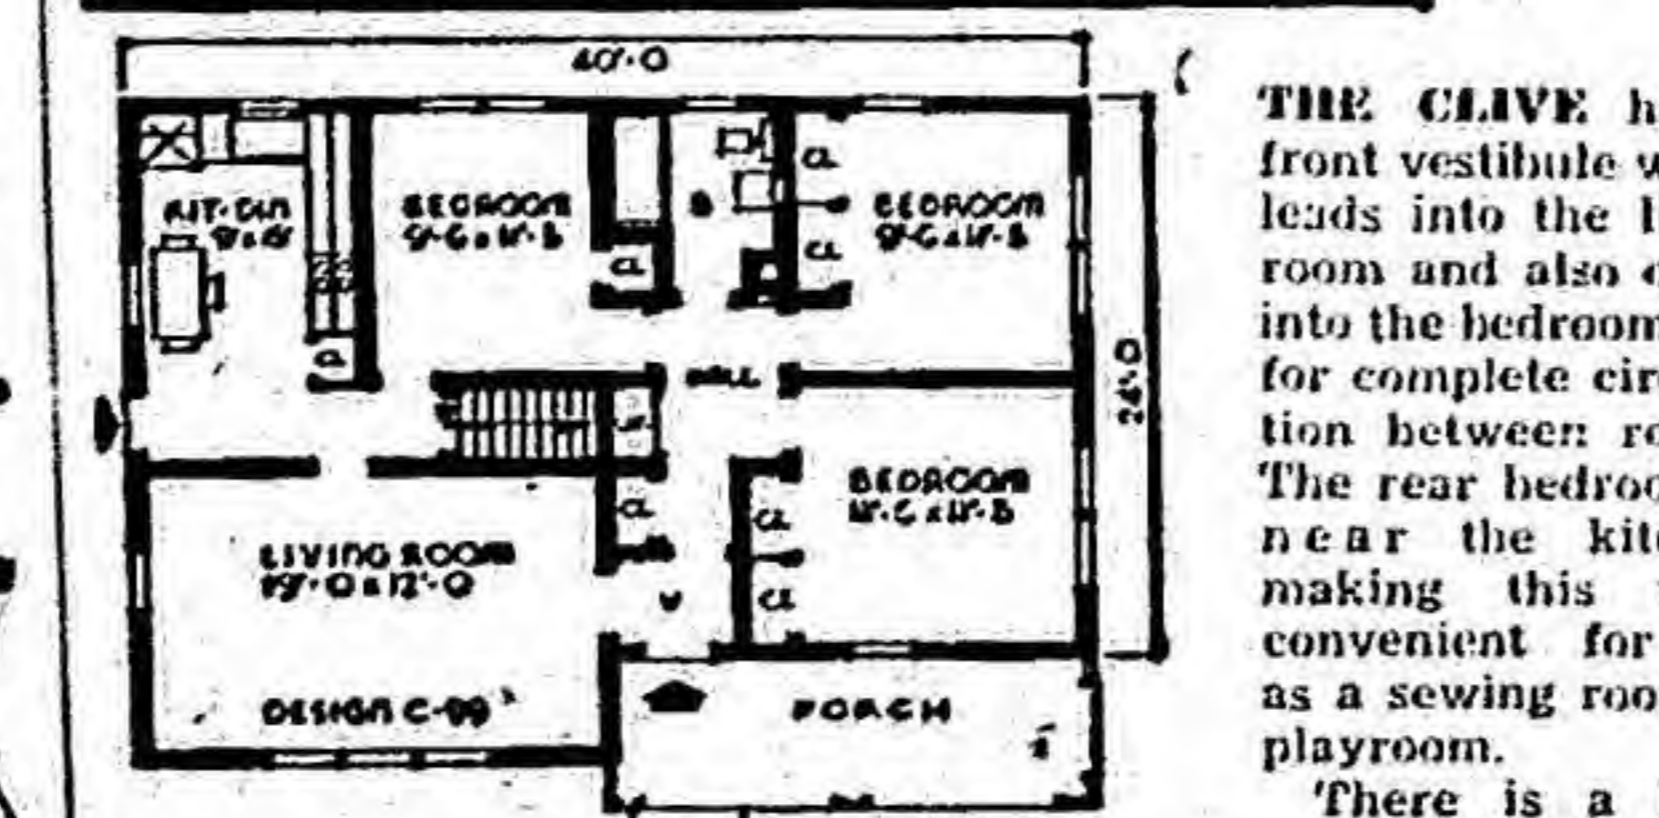

Mr. and Mrs. Kenneth Campbell, Fort William, were recent dinner guests of Mr. Douglas Scott at his home at King. The Campbells, married at Sudbury, were enroute to the lakehead city after spending their honeymoon around Peterborough, Toronto, and other points. Douglas Scott was an usher at their wedding.
Miss Betty Gray, Ottawa, has been the guest of Mrs. Colin Stewart for several days.
Mrs. Alfred Gillham and Miss Winnifred Boys entertained the ladies' bridge club at the former's home on November 16. Four tables played. Mrs. Ross Walker got the high score prize and Mrs. L. E. Rolling, the low score. On Thursday, Nov. 30, a bridge will be held. Mrs. William Boys, mother of the co-hostess, and Miss Freda Farley, teacher at Strange school, were also assisting.

Win Fair Prizes
Percheron horses of John Riddell, King, won first and second places for two on halter classes and fourth place in six-horse team division.
Two Langdon buses transported about 50 children of the district schools to see the Santa Claus parade in Toronto on November 18, chaperoned by Mrs. Len Robb, Mrs. Archie Campbell, Miss Freda Farley, teacher at Strange school, and others.
Attend Legion Aux. Banquet
Attending the Provincial Command Legion Auxiliary banquet at Woodbridge on November 17, held for Mrs. Louise Long, provincial president, Mrs. M. Richardson, secretary-treasurer, and Mrs. E. Tilbe, hon. treasurer, was auxiliary zone representative, Mrs. Beryl Fleet, with Mrs. E. Bice, Mrs. Ivel Wood, Mrs. William, Disley and Mrs. Bert Wood. The local auxiliary ladies sang two numbers accompanied by Mrs. Bert Wood on the piano. Mrs. Long was presented with a corsage of 'mums and a gold sequin hand bag. The others were also given corsages as well as the Woodbridge president. Mrs. Fleet was presented with a corsage of red carnations.

King Institute
A program of exceptional interest to King Women's Institute, arranged by Mrs. Harvey Follitt on November 14, put "home economics to work" when local high school girls demonstrated practical sewing hints. Taking part were Freda Dent, Norma Wells, Shirley Rawlings and Janet Langdon. They sang groups of two-part songs accompanied by Mrs. Gordon Wells. Not only were the young ladies adept with the needle, they also proved their ability as cooks, serving cake they had made for refreshments. Mrs. Follitt presented them with a large box of chocolates in appreciation of their program contribution.
Mrs. Irving Scott enlarged on a motto on cheerfulness and laughter.
Mrs. J. L. Grew, vice president of Kingcrafts Guild, told how a handicraft group had been recently organized by Lady Flavell and the types of crafts being undertaken by several groups in King twp. She spoke of the interest Canadian women are showing in handicrafts and the markets open to sale of work.

Mrs. George Hatley brought the W.I. products samples from Robb Hood Flour Mills, Ltd., distributing them with recipe books to holders of lucky draw numbers.
A technicolor film sponsored by Stanley Watson, King, manufacturer of Watson's Potato Chips, was shown by George Dewitt, Oak Ridges. Entitled "Mr. Chips", the picture showed the potato processed from the raw state to the delectable table product. Mr. Watson distributed samples of his products. He invited the branch to visit his manufacturing plant in Toronto.
A delegate for King W.I. to the three-day area convention held in Toronto recently, Mrs. James Rock gave comprehensive outlines of the sessions. Among other things she told of the important highlights of the trip and experiences of Ontario delegates to the A.C.W.W. convention held in Copenhagen, Denmark, this fall. Madam Vaudelet, Quebec province, spoke on partnership provoking interest in 75 minute address. Larry Henderson spoke on "Your Share in UN". Mrs. Rock lived her report with personal observations of the convention.
Mrs. Donald Paton of Laskay had an operation at the Toronto General hospital on Saturday, Nov. 12.
Receives Senior Post
Mrs. William Parker of King, who has been on the nursing staff of the Western hospital, Toronto for several years, has

Small House Plans

THE CLIVE has a front vestibule which leads into the living room and also opens into the bedroom hall for complete circulation between rooms. The rear bedroom is near the kitchen, making this room convenient for use as a sewing room or playroom.
There is a large area in the kitchen for dining, and the living room also can be used for larger dining groups. The sink is under the rear window and the stove next to the kitchen closet on the inside wall.
Wardrobe type closets are used in the end bedroom for increased capacity in small space. The coat closet is off the vestibule and the linen closet is in the bedroom hall.
The exterior is finished with wide siding and the roof with asphalt shingles. The front porch has a concrete floor with posts of trellis work.
Dimensions are 40' by 24', with the living room projecting 4'. Area is 1,040 sq. ft. and cubage 20,280 cubic feet.
For further information about THE CLIVE, write the Small House Planning Bureau, The Newmarket Era and Express, Newmarket, Ont.

SMALL HOUSE PLANNING BUREAU
NEWMARKET ERA AND EXPRESS, NEWMARKET
Please send me more information, without obligation, about the plan features and the type of construction used in the house as pictured in the November 23 issue.
NAME
ADDRESS

taken a position at the Humber Memorial hospital at Weston, which will be officially opened on Saturday, Nov. 25. Mrs. Parker, a graduate of the Western, will hold a senior position on the staff at Weston.
A research council of 22 Toronto teachers met at Laskay United church on Nov. 18 for a conference. Mr. Harold Dean of Toronto and Laskay, an executive of the group, was one of those present. The W.M.S. served a turkey dinner.

Euchre Winners
Prize winners at Laskay W.I. euchre held in the hall on Nov. 17 were Mrs. Leslie Glass, Mrs. Jesse Richards, Mrs. L. J. Glass. In the men's section were Percy Leatherdale, Gordon McCallum and Scott Smeltzer. Travelling prizes went to Mrs. F. O'Brien and Mrs. C. A. Black. The next euchre date will be Dec. 1st.

Mr. Earl Robson returned to his home at King from St. Joseph's hospital, Toronto, this week. He suffered a fractured hip early in the month while operating a tow motor at Downsview Lumber plant.
Mrs. Mary Hood, leader of First King Cubs and her assistant, Jack Hambly, are engaged in an advanced Gilwell correspondence course dealing with theory of cubbing, its background and application. Upon completion Mrs. Hood will attend the Blue Springs Camp, near Acton for a week this coming summer.

On Friday, Nov. 24, Mrs. Mary Hood will attend a supper at Richvale for the annual meeting of York Central District for scout and cub leaders, mothers' auxiliary and group committees.
King Baptist congregation heard Rev. H. E. Wellwood, Richmond Hill, Nov. 12 speaking on the temperance problem and the advance of the Temperance Federation. He spoke of the increased expenditure on the purchase of liquor; the number of traffic accidents resulting from drink; the broken homes caused through use of intoxicants. Several new youth temperance posts have been organized.

Poppy Fund Doubled
Poppy Day collections organized by King Legion Branch, through district public schools was approximately \$500, an amount double last year's canvass. Appreciation to teachers and students for activity in the Poppy Fund campaign is expressed by the welfare committee of branch 438.
Speaks on Democracy
"Working for world democracy is the privilege of true Canadian citizens," Mrs. Whitley Finch told Laskay Women's Institute Nov. 14, in a talk on citizenship and education. The speaker felt the acid test of pride in Canada as a Christian country is doing something about personal citizenship. Principles of democracy commence in the home, where children learn the first qualities of citizenship, she stated.
Mrs. Torrance Farr, a delegate to the W.I. Area Convention held at Toronto early in November gave a resume of one day's sessions. She told of John Fisher's

address, Larry Henderson's talk, the demonstration by a junior institute. Miss Winnifred Boys gave further highlights in Mr.

Fisher's address. In response to the roll call, members displayed various handmade articles in line

for the W.I. bazaar to be held on Saturday, Nov. 25, in W.I. hall.

LINEMAN RISKS DEATH TO FREE CO-WORKER FROM LIVE WIRE

Roy F. Archer, of Toronto, Ont., gambles with electrocution as he rescues fellow lineman from live circuit

1. At the top of a pole on Toronto's Eglinton Avenue, Grade "A" Lineman Roy F. Archer and co-worker J. H. Osborn were hard at work repairing lines for the York Township Hydro System. Both men are top-flight linemen and know their jobs, but accidents can happen—even with experts. Somehow or other, Osborn's left elbow and right leg came in contact with the 4160 volt circuit!

2. Osborn was almost completely paralyzed and incapable of moving. Roy Archer knew that in a few seconds his friend would be dead... and that if he touched him he, himself, would also take the chance of being fatally burned. But he did not waste time worrying about his own safety. He struck Osborn on the shoulder. It didn't work... but the shock he received didn't deter him. Next time, he kicked... and he was successful!

3. Osborn was severely burned and suffered from shock. But he was alive—although destined to stay in a hospital for several months—thanks to the daring, quick action of his comrade. To Roy F. Archer, Grade "A" Lineman, whose unselfish bravery saved the life of a fellow Canadian, we are indeed proud to pay tribute through the presentation of THE DOW AWARD.

THE DOW AWARD is a citation presented for acts of outstanding heroism and includes, as a tangible expression of appreciation, a \$100 Canada Savings Bond. The Dow Award Committee, a group of editors of leading Canadian daily newspapers, selects Award winners from recommendations made by a nationally known news organization.
